The Trials of War and God's Provision

July 4, 2022

Lord Jesus, please give us the faith will be unwavering even in the face of danger. Amen.

Today we were prompted to talk about some of the things coming to this world. I have to admit they are threatening, so right away the Lord addressed them in the message. The songs that He played, that Holy Spirit played because we put it on shuffle, and we pray, and we ask Holy Spirit to choose the songs were real faith builders and intimacy builders and they turned our hearts back to faith in His ability to care for us.

Jesus began,*" Truly you are finally getting it. I have got this; you will walk through the fire without being scorched. Yes, just like the three in the fiery furnace who refused the Babylonian gods.*

"As you are faithful to Me, and as you cleave to Me, as you lean only on My understanding, as you are obedient and refuse to go into agreement with the demons' programming lies, you will be safe and secure. I will send you many just like you and together you will stand in the face of adversity, completely defying the laws of the universe.

"You will flourish in the gifts, ministering to one another, those who I have sent to be a part of this end times prayer army. Over and over again you will defy the odds of being captured. Not by your stealth but by my anointing. Remember Patrick, St. Patrick, and the deer?" The enemy was lying in wait, and I told Patrick what to do."

So, he planted his staff, and everyone else stood and put their hands on the staff, and the enemy was totally confounded because when the enemy was ready to jump on them, it was just some deer, it was just a small herd of deer that went trotting off into the woods.

"Clare, I can even defy AI. There is no power like Mine.

"Many will be the victories of My power. And when it seems like you have reached the end of your ability to endure, then I will send you fresh graces. I will be with you at all times, I only ask you to be alert, pay attention to signs and my whispers to your heart. It will be a time on Earth as it has never been before and along with that will be the graces to handle everything the enemy sends you.

"You will be astounded with the things I will do, things you never considered possible. You will begin to understand Heaven and how the Earth operates, in such a way that praying for a mountain to move will not seem outrageous anymore.

"Yes, My dove, you have discerned rightly, things are coming now, they have been waiting for the right time, and this is the right time. You are coming out of the rapids which you were in with the vision about the boat, and what is the ingredient that has been missing? Faith, to allow Me to do as I please with you, no matter how outrageous it was to you before. Desperate times call for desperate graces. I will lead you along this path slowly until you are completely accustomed to My ways and the glory of My power. I tell you these things now because it will take time for them to sink in. This is merely an introduction into what I will do to protect My people. And if they lead you to the guillotine, rejoice, for in only seconds you will be ecstatically rejoicing with Me, in My arms, rejoicing with Me.

"As you are teaching all to have faith- "

And what did He say to the thief? *"Today you will be with Me in Paradise."* So, hang on to that, if a situation ever happens, hang on to that, *"Today you will be with Me in Paradise."* Wow!

"As you are teaching all to have faith, that what they see, is My gift to them, because I long to be seen and heard and accepted, even like all of you long for the same. You will understand My nature and receive My gifts and thank Me. I have so much love to give, all that stands in My way is the wall of unbelief you have constructed to protect your sanity...for fear of being deluded. This is the weapon of choice to shut up My prophets. Please, outgrow this damaging wall, tear it down and let Me come in. I continue to knock on your heart, please remove the wall, and use this Scripture to do it.

John 14, beginning at verse 15: If you love me, keep my commands. 16.And I will ask the Father, and he will give you another advocate to help you and be with you forever-17.the Spirit of truth. The world cannot accept him *because* it neither sees him nor knows him. But you know him, for he lives with you and will be in you. 18. I will not leave you as orphans; I will come to you. 19.Before long, the world will not see me anymore, but you will see me. Because I live, you also will live. 20.On that day you will realize that I am in my Father, and you are in Me, and I am in you.

21. Whoever has my commands and keeps them is the one who loves me. The one who loves me will be loved by my Father, and I too will love them and show myself to them.

I am missing something here in that Scripture because it also says, that is the version I think, 'Come and I will make my abode within them.'

He continued, *"Have I not taught you to believe in My Word? You cannot side-step this Scripture, so please do not continue in your unbelief, come to prayer knowing I am faithful and will fulfill this promise to you, only renounce unbelief, and fear of man and all the lies of Satan. His job is to keep you deaf and blind so you can be led into error. In these times, you can no longer afford to be deaf and blind. There is too much error in the world that is so dangerous to your souls.*

"Come now My Beloved ones, cast out your doubts, I live in you, and you shall see and hear Me. Come, take My hand and allow Me to establish this relationship with you."

Amen.

War Is Upon Us

July 5, 2022

Lord, I know You alone are sufficient for all that is going to happen, please give us total confidence in You no matter what it looks like. Amen.

Jesus began this message last night.

He said, *"Do understand you that we are on the cusp of World War Three?*

I answered, Lord, I know we have been here for quite a while in that position.

He answered, *"No...this time we are on the verge. This is why I have given you so many readings about suffering, for indeed I have suffered seriously, in anticipation for what is about to happen. Russia is ready to move on your country; it is only a matter of time and opportunity. "This is not something he wants to do,"*

Speaking of Putin,

"It is something he must do because of the corruption of your government and how you have manipulated the whole world to your advantage, without regard for human decency or mercy. Corrupt and evil is an understatement, filthy to the core is more like it.

"And Roe versus Wade is more of a set up than a victory. Knowing the present climate of the young, and massively liberal establishment, this was deliberately planned to bring about civil war. You were even told this years ago and I know you remember. America's downfall will be civil war over abortion rights. That is why you have not forgotten it. My Spirit planted it firmly in your mind that someday this would come about.

"Now at any minute this war could begin and that is why I gave you such a strong message about My presence during extreme trial."

And that would be the message that came up just before this one, right, this war, "The Trials of War and God's Provision."

Jesus continued, *"Now at any minute this war could began and that is why I gave you such a strong message about My presence during extreme trial.*

And the title of that message is "The Trials of War and God's Provision."

He continued the message this morning.

Lord, I am so glad You are handling this community in the face of all that is taking place in the world. I am way overwhelmed by what is coming, the details of what is happening, and how to respond appropriately, are so beyond my comprehension.

Jesus continued,

"And II for My part am so happy that you recognize this, it will save you from mountains of anxiety. You see, I have been faithful to tell you what is going on without you looking for it. Your assistant is in a very good position to do that without it becoming an all-consuming activity, and I am helping him disengage. He has been faithful to give you input, just what you need to know and nothing more.

"Beloved the message about my providence and protection is extremely important. I want My people to truly look to Me for everything and the greater their confidence, the greater the release of necessities I will supply. Have TOTAL CONFIDENCE IN ME, My people, and pray for your enemies. I have told you many times before that I am your shield and provision for hard times. As you count on Me, you will be able to function without crippling fear and your confidence will be a sign to others that I can be trusted in the direst of circumstances. Do you believe this?"

Yes Lord, I do, but I will never know for sure until I am faced with a real-life situation.

"What you say is true, but I am asking you to count on Me for the grace and faith to truly believe. I know you cannot do this on your own, it is an impartation. And in this moment, as you hear My words, I am imparting to all the souls who hear this, the necessary faith to triumph over fear and be free.

"Dear ones, put your TOTAL TRUST AND CONFIDENCE in Me, even asking Me to make this possible for you. I will not let you down or disappoint you.

"Everything will begin quite suddenly, so be ready, remember that I am a God of My Word. When things begin to happen steep yourselves in prayer, and you will receive direction and peace. Do nothing out of selfishness, love and care for your brothers and sisters with all your heart and I will provide for you.

"This community will be rock solid in the face of the chaos of the world. That in and of itself will be a witness to all who have mocked and derided you. There will be many meals of crow for your relatives and friends that accused you falsely."

And then I - I hit a point in speaking with the Lord where I felt like I had lost my connection with Him, and I said, Lord, I feel like I have lost, lost my connection with You.

He said, *"No you have not, I am right here speaking to you. Come here Beloved, I want to hold you."*

And immediately I saw myself resting my head over His Heart.

He said, *"I know this has been hard for you, really hard, but I rejoice over your victories and am proud of you."*

Thank You Lord.

And, of course, I have our community's prayers as well as You and Faustina to thank.

"Many people in the world avoid friends because they have been betrayed so many times, but Heaven is nothing like that. There is no betrayal in Heaven, only hearts bursting with love and longing to make a difference for those who are still bound in darkness on Earth.

"It is a deep pain in My heart that certain people do not believe in the communion of saints. But I do understand, it is a blind spot. If they searched the Scriptures with an honest desire to know the truth...not to validate their own opinion, they would easily see the truth and receive all the tools I have given them to navigate through this world. None the less, the love in Heaven is so intense that the saints rush to help and pray for those still on Earth, in spite of their rejection of the truth. So much is understood in Heaven, in fact all things are understood in Heaven, and they do not condemn but pray and cover for those who are in serious need and trouble. My darling Clare, thank you for teaching this. Yes, you have been insulted and derided for teaching it, but your reward in Heaven is great. Pray for those who do not understand."

I said Lord, it is truly a pain in my heart as well. They are missing so much.

He said, *"Yes, our hearts are one.*

"Just remember, no matter what the circumstance, I am more than equal to it, and I will come through above and beyond all human expectations."

And that was the end of His message.

And the pain in our hearts is just that there is so much more to the church that Satan has managed to twist doctrine to get rid of it, that we are missing out, well I as a Fundamentalist and Evangelical was missing out on two of the greatest things in my life, it would have made a difference, the minute I received those things, my life changed drastically. And one of them was the intercession of the saints and particularly Mary, the mother of God, and the other is the Lord's Supper, to receive His true Body and Blood under the appearance of bread and wine and be empowered by His Flesh and Blood just as He said in John 6.

So, I have done several messages on these things, on these two topics, and in fact the series on Mary is seven messages all together, and they are all from the Scriptures. There is nothing of opinion in it, it is all taken from Scriptures, it is just that people miss the other viewpoint. They have heard the Scriptures and they just kind of run over them, but they do not realize the importance of those Scriptures and how deep they go and what they really are talking about, and just as an example, a quickie, the Wedding in Cana. In that situation, Jesus was not going to do a miracle until His Mother asked and that made the difference. And things have not changed, she still has tremendous sway over the Lord, or should I say, His heart is very tender towards her. One of the things she does is make sure that whatever prayer the soul is requesting, it is being done properly and it is not for selfish motives.

So, the Lord bless you, dear family, we are about to go into war. And it is going to be pretty rough, so hang on and stay centered in the Lord.

And when things begin, pray. Pray, pray, pray, and bring your family together for prayer, and even if you just prayed the Our Father or the Rosary, would be really good, you are going to get direction and peace from Heaven, if you pray those together as a family. Whether you believe in the intercession of Our Lady or not, it will still bring you peace.

God bless you.

Is Your Christianity Authentic

July 7, 2022

Lord, please expose to us Your real church and not a twenty-first century knock off. Amen.

And, as usual when I come into prayer, I am always adjusting to be with the Lord, it is a different wavelength, and I said,

I know you are here beloved God. Please forgive me for being so lethargic, what can I do about that? Pour water on my habit? It is very hot here guys, eighty-six today or something, it is supposed to be, and I cannot handle the heat at all, so I usually wear a wet towel around my neck and back just to keep me focused, and then it is like seventy degrees around me. But I remember that Cuthbert, St. Cuthbert, used to stand in the North Atlantic Ocean to stay awake to pray, and I thought, wow, I am a- I am a long way off from that, so I asked Him, you know, what can I do? Can I pour water on my habit, or what- what would - what is it going to take to get me not to be lethargic when I want to pray?

And the Lord answered me and said, *"Whatever it takes My Love, rise up to the occasion."*

I answered Him, Ok I am here now.

And He said to me, *"That also works at night, by the way."*

Pouring water over your habit. Thank You Lord. I love You, I hate that I am so numb, please help me change, I want to be on fire, not always on the edge of deep sleep.

"St. Cuthbert," He continued, *"had this problem as well. But through My grace and his resolve, he conquered it and some of his most profound moments in prayer happened with the little otters swarming around his legs, keeping him from hypothermia. You do not have to go that far, but your own version would help.*

There is no easy answer, and it sometimes takes a drastic measure to keep you awake to pray."

Lord I am willing to be made willing, and that is about all I can say right now.

He replied, *"That prayer goes a long way if your heart is in it. However, you were right in saying that your medication can also have a bearing on it. But understand, I am the One who approved that, so just work with these limitations, and know that when you are free from them, your deepest feelings will rise to the surface. The good part is that I know your heart and just how much fire there is, in a way, for you to be unaware of that is a safeguard for humility. Especially when you see how the hearts of others are stirred to repentance and mercy."*

Yeah, that is hard. Well please Lord, what is on Your Heart?

He replied, *"My Heart is run through with all sorts of knives, spears, nails and instruments of torture."*

Now just before He said that I saw His Heart and I saw all these steel objects stuck in His Heart.

He continued, *"Not only did they duplicate My Body,"*

Using DNA from the Shroud of Turin.

"And use it ceremonially to torment Me, but this happens all around the world in secret. Yes, what Ezekiel saw in the basement of the Vatican, was indeed a replica of My body."

And what Ezekiel saw was that He was being tortured, by people who would walk by Him, and do something- something terrible to Him as they walked by and they all- all the people down there did, and they were Satanists. And they were defiling- trying to defile His holy body, but they could not, because He is- defilement does not stick to Him.

And I said, Oh, how terrible!

And He replied, *"Beloved, the pain they cause My Body, is nothing compared to the pain My faithful servants cause Me with unbelief and rejection of graces. I need every one of them Clare, but as you have seen they are reluctant because of their preoccupation with the world and all that pertains to living a secure and comfortable life.*

"My chosen ones, when I allow sickness while you are in the world, living a secular life, it is many times an invitation to break free from the world and serve only Me. I do not call everyone, only My favorites. I know the heart of man and I also know what he will be on the day of judgement. For this reason, I am making an appeal to many men and women to leave the world and come to serve Me. I want vocations for this order,"

Speaking of Heart Dwellers here,

"Because they will appeal to the common man who is so very often overlooked because clergy is focused on tithes and donations. Money does talk with a very loud voice.

"So, the ones who will realize they are wasting their lives on themselves, and they desire to be closer to Me, and working for Me, are the ones I am targeting in this season. I want to train them and prepare them to reach the truly destitute of this world. Destitute is not just about money, it is also about a hunger for God, for holiness, for those who are perishing in the world because there is no one to teach them.

"And just in case you have forgotten, what I want resurrected in My Church is the first century simplicity of the Apostles. Fundamentalism has stolen

much from My Church, and many are too asleep or too busy making money in the world to realize that this contemporary brand of 'Christianity' does not resemble what I established in the first century. Productions like "The Chosen," do a far more accurate job in portraying the life of the early church.

"How long will you slumber oh intelligent ones? How long will you follow man and reject what I have given you in the early church? Do you not understand that Satan has infiltrated ALL the churches and under the guise of righteousness and accuracy has continued the tradition of man to erase what I gave you in the first century?

"Study yourselves to be approved of God, not man. Take your three piece suits off, roll up your sleeves and stop the incessant posturing to make yourself look Kosher in the eyes of a worldly contemporary society that you so long to fit into, for the secure and beautiful life men supposed to be from Me. It is not from Me. It is from your need to fit in and be accepted. That is why you will not examine the early church; it will bring you into conflict with the doctrines the enemy has used to eradicate the special graces I left for you in the first century.

"So, the ones who will realize they are wasting their lives on themselves, and they desire to be closer to Me and working for Me, are the ones I am targeting in this season. I want to train them and prepare them to reach the truly destitute of this world. Destitution is not just about money, it is also about a hunger for God, for holiness, for those who are perishing in the world because there is no one to teach them.

"And just in case you have forgotten, what I want resurrected in My Church is the first century simplicity of the Apostles. Fundamentalism has stolen much from My Church, and many are too asleep or busy making money in the world to stop, search and realize that this contemporary brand of 'Christianity' does not even resemble what I established in the first century. Productions like "The Chosen" do a far more accurate job in portraying the life of the early church."

You know, as an aside, look at how, in "The Chosen," the Scribes and the Pharisees were totally against Jesus. The Establishment was totally against Him. Nothing has changed, guys, it is still this way, and I will explain that to you later on in the message.

"How long will you slumber, oh intelligent ones? How long will you follow man and reject what I have given you in the early church? Do you not understand that Satan has infiltrated ALL the churches? And under the guise of righteous protection and accuracy? Has continued the tradition of men and their interpretation of Scripture? To destroy what I left you in the first century? I do not assign malice to those who carry on their denominational slant on the Scriptures, arguing their viewpoint as being 'superior.' That is merely a function of ignorance on their part and a lack of study, going along with the crowd, perpetuating man's dogma. Study yourselves to be approved of God, not man. Take your three piece suit off, roll up your sleeves and stop the incessant posturing to make yourself look Kosher in the eyes of the world. Contemporary society that you long, so long to fit in to, for the secure and beautiful life men supposed to be from Me. It is not from Me. It is from your need to fit in and be accepted. That is why you will not examine the early church; it will bring you into conflict with the doctrines the enemy has used to destroy My graces.

"Do belong to Me or do you belong to your denomination? Do you truly belong to Me or to your bank account? Do you truly belong to Me or to your social connections? Many of you who feel so secure in your Christianity will be left behind because your heart is not Mine. You live by a twisted prosperity version of the gospel.

"You are living a version of Christianity with no guts. No suffering, no lack or need, no disease, no poverty, no demonic infestation, and no persecution. Now stand beside the Apostles in "The Chosen" and see your nakedness for yourself. Examine your life and see if it has anything in common with Mine. That should tell you something that you are doing is way off track. This is a wakeup call for the Body of Christ. Time is closing in on you and you are far from prepared to be My Bride without spot, wrinkle, or blemish.

"What does it mean to have a spot? When was the last time you chose a more socially acceptable solution to keep from being criticized by the wealthy? Did someone come to you to get deliverance from demonic oppression, but you sent them to another church, because "We do not do that kind of thing here, that is for low lifers and drug addicts. We do not have that problem here."

"What does it mean to have a wrinkle? Do you habitually- "

Well, let us see-To go back about the spot, there is a spot of self-righteousness in the person who would have that kind of an attitude. It would show up as a spot.

"What does it mean to have a wrinkle? Do you habitually avoid the poor in your church, choosing to have lunch with your peers rather than inviting them to join you and paying for their meals? How many times have you dodged those who were beneath you because you would look bad if you were seen with them? A wrinkle is a long-standing habit of rejecting that which you should embrace for the love of God. So, you want to build your social standing by hobnobbing with the wealthy and avoiding the poor and those with a questionable background.

"And what does it mean to have a blemish? If your heart is pure, your blood will be pure, your thoughts will be pure, what is on the inside of you will be pure. How many times do you find fault with what people are wearing, where they work, and what they do for a living? When you judge them, you are judging Me as well, for I live inside of them. And whether you see it or not, that is a spiritual blemish on your own soul just as surely as a leprosy eating away your nose.

"I am presenting you with a mirror. My mirror, so you can determine where you stand with Me, not man. I am giving you more time, along with wake-up calls to those who believe themselves to be My Brides. I want you ready when come, but there is still much work to be done in your souls and I am explaining much of it here so that you will have no excuse on that day. If you are left behind, you will remember this message and other messages

from My Church, warning you to be ready for I am coming for a holy bride, not a halfhearted sell out to the world Bride.

"Take My hand now, examine your life, and your doctrine, because there is so much error in Christian learning establishments, and no one wants to rock the boat. That is all right, they can stay in their boats, but the truth seekers will capsize those boats and I will surely have them in Heaven with Me on that day.

Wow, Lord, that is kind of a hard message.

And it is interesting because I just got a Rhema last night that said, Son of Man, I am sending you to the church. Rebels who have rebelled against Me, they and their fathers have rebelled against Me to this very day. Hard of face, and obstinate of heart are they to whom I am sending you, but you shall say to them, thus says the Lord God. And whether they heed or resist, for they are a rebellious house, they shall know that I have sent you among them. That is from Ezekiel 2.

And the things I have shared with you are nothing new, this has been going on, I mean this is just like in society, there is always posturing, preferences, and the need for security.

But guys, do you want to be left behind? I mean really- take a minute and think about it. Because the ones who are following false doctrine and are not living the life that the Lord lived, as an example to us, they may very well be left behind. Do you want to be in that crowd? I certainly do not.

I want to get rid of every spot, wrinkle and blemish out of my life, and you know what, guys, I have a lot of pride. I try not to go there, but it still happens. Sometimes I have judgment and attitudes, which is so wrong, but with this message I am definitely going to work harder to keep after myself clean for that day, because I DO NOT want to be here after the Rapture.

And I am praying for all of you that these words will really go deep into your heart. You examine your lives and make them conform as closely as

possible to the lives that the Apostles lived, so there will be no excuse on that day, and you will be taken.

So, please, take all this to heart, and consider what the Lord has said about the early church, she is so different than what we have today. And she has been stripped of many important graces. So, do take a look into your own heart and be sure you are on right standing with the Lord.

The Lord bless you now, and may His sweet, loving peace be with you as you confront these things in your lives. Amen.

Unbelief & Scrupulosity

July 11, 2022

Lord Jesus, thank You so much for teaching us the difference between unbelief and holy caution. Amen.

Jesus- And to give you a little background on this, still struggling with that piece of equipment from my work, I just do not have an ease, a sense of peace in my heart and I could not figure out why. And He clarified it for me. The source I was going to get it from is not the right source. Now I have peace, but He did talk to me a little bit about being Thomas' twin. So, here we go.

Jesus began, "*Let Me lift you out of this place."*

I said, please Lord, there is a war going on inside of me. I just do not have your peace.

He said, *"Does that surprise you?"*

No, I guess not.

Ok. So, I went to the Bible Promises again just to get a confirmation. And I got Obedience, do what you were told to do, and I still felt awkward but what happened was it came into my mind, I am sure, my angel or the Lord, what about the source? Is this the right source for what I need? And I got a thumbs down on this. He is not the right source. And all of a sudden, all that fear and unbelief left me. So that is what it is! Wow Lord, finally release, thank You.

He said, *"Didn't I begin this message by telling you I will take you out of this pit?"*

Thank You Lord. Oh, what terrible things are planned for this world.

He changed the subject. *"That is correct, you are truly in end times, full force. But I am protecting you, all of you. Yes, there is persecution but nothing that will keep you from working. You will always have My work to do."*

I was thinking about the internet because that is how we get messages to people.

Then I said Jesus, I trust in You. But what if there is no more internet?

"There will always be work for you to do, please take a grain of your own advice, 'Do not try to solve tomorrow's problems with today's grace.'"

I said-

And then He said, *"May I say it?"*

What Lord?

Yes, You may say it. What is it?

"You worry too much, please trust Me more."

He held me close to His Heart, and told me that He loved me so much, but when will I trust Him?

I said, I need that grace.

And He said, *"I have given it, but where is your correspondence to grace, to My gift? Indeed, you are trying, but I do not want this community to follow your lack of trust. Tell them this please. It is from Me."*

Did everybody get that? Ok. I laughed. Well, anyway - no, that is not right, I did not laugh, I skipped ahead.

He hugged me again, *"Oh Clare, I love you so much, you certainly are a classic example of my Apostle Thomas. You could call for his prayers, you know. He no longer has doubts."*

And I laughed...Yes, he is in Heaven, how can that-how can he?

And He said, "*No, seriously, you are his twin! But it must be that way if I am to touch those who are bound in chains by fear. I must work with a pitiful example of unbelief, that even the lowliest soul will resonate with. But I will give you this, you have tried to be faithful with My resources and for this I am proud. You did not have peace because this was not the right source for what I asked you to get. Now I will connect with the right one. Can you trust this?"*

Uh-I think I can! -More laughter.

"You are going to blossom with this gift. Did I not tell you that I am giving you a new life? This is a part of that, and you will learn quickly."

Thank You, Lord.

"Now, since you are out of the pit can we move forward?"

Yes Lord.

"Again, thank you for being so careful, you are learning, but I want to speak to you about Pride. Pride always assumes it is right and leaves no room for questioning."

So, I asked Him, how do I reconcile that with unbelief?

"It is indeed a fine line," He replied, *"that you must learn to distinguish. You can also make the excuse that you are afraid of offending with unbelief."*

Yes, if I were afraid of that then I would not ask anyone else to help me discern and that would not be good either.

"That," He continued, *"That can be used as an excuse to keep one from using more discernment, going to other sources to discern. Always with these issues, consult your conscience, if you have no peace, there is good reason for this.*

"In this particular case, I withheld that peace because I had a better source for you. At the last moment, with the help of your angel, you sought me

about the source, and I answered you. So now that you have peace, you can move forward without being scrupulous. Right?"

And just so you know, scrupulosity is- it is like unbelief, but it is taking something and examining it from every direction to make sure it is the Lord, even when the person has had confirmations that it is the Lord. Then you are being scrupulous.

And I said- We can move for-He said, *"We can move forward without being scrupulous, right?"*

And I said, Ummmm.... right!!

"Now do you see why I called you Thomas's twin?"

I laughed. I do. Lord, I receive your peace and am so happy I will have them sooner.

Yes, the date for obtaining them was two-thousand twenty-four, they have to be made. So, I said-

"My dear ones," Jesus continued, *"there is a fine line to walk between holy caution and unbelief. It is yours to discern with My grace, I will always help you, but do ask Me, and when you ask, believe you will truly get this help."*

And that was the end of His message.

And I put on after that, "The Hills Are Alive with The Sound of Music."

Gifts of Healing and Music

July 13, 2022

Lord, help us not to neglect Your Spirit or the gifts You have given us. Give us the courage to use these gifts for Your glory. Amen.

"Mother, forgive my foolishness, can we still have message?" --

"I am standing by you and with you, and yes, I will impart a message to you."

"Oh, thank you."-- --

"You are forgiven, be more careful in the future, please."

"Yes Mother, I will."

"Today is the start of a new beginning for you both. Truly he has received an impartation to restore him, work with him Clare. I wish for you to work together; the anointing will be there."-- --

"WOW."

"Just obey dear daughter. He needs this from you too. It will be strengthening for him. The enemy has worked very hard to shut down the anointing over both of you. Now is the time to work against that, it truly is a new day for you both. I will anoint your partnership and you will bring forth some rich, beautiful music with a message. I know you were not expecting this, but truly, the Lord and I and the cloud, are cheering you both on.

"It's been a long time coming. The curses against you both have been broken and We are raising you up, TOGETHER. Please work on your vocals. Sing more, in fact SING ALL THE TIME. We will be very proud of you for your obedience.

"There are times and seasons to everything. Your debt has been paid and you are released from those curses. Also, music requires a deep anointing and maturity. That is why we have waited. Both of you are ready, make Us proud. These gifts have laid dormant for way too long. There are messages in your hearts that need to be shared and both of your angels will assist you. Call on them, call on me, and yes call on Saints, Francis, Clare, Cecelia and Therese. Continue to pray protection over your time as you did last night. By the way, this schedule suits you both fine."

"Thank you, Mother, I have felt so distant and removed from music, thank you for this restoration."-- --

"Ride the wave. You've been waiting for this for a long time, it has come in now to carry you forth into your destinies. Aren't you excited?"

"As much as I can be under the influence."

"Now, about the healing ministry, every person in this room can have this gift, some already do. It is not an exclusive gift it is mandated for their witnessing."-- --

"Mother,--please tell me how we should go about this."

"FAITH! All that is lacking is FAITH and practice makes perfect. Each of you have the seed, but it must be cultivated. No shame...pray and if it doesn't happen, do not be ashamed, try, try again. If at first you don't succeed, try, try again. EXPECT the gift to be operating through you. Just as the nurse pictured the needle going into the arm, picture the healing anointing going out to whomever you are praying for. Do not give up easily, persist. What has been lacking is simple FAITH. Forge ahead with an attitude that God is faithful, He lives inside of you, and He wants to see healings, expect them.

"Also, clear the air, make sure they are not holding a grudge or have unforgiveness. That is a major block to receiving a healing. They should make sure they too are forgiven because if they hold onto that guilt, they will subconsciously block the healing. This is not true in every case, because some are so far away from God, you must start with a healing.

"Be sure to teach them how to hold onto their healing because Satan will, for sure, attempt to steal it from them. Here are several key elements to hold onto a healing.

1. Forgiveness of others

2. Forgiveness of self with an absolution

3. Belief that God is in your heart and has good will to them

4. Prayer for healing, it does not have to be spoken. I am serious about this, you can pray silently or in tongues, and you will be heard.

5.-- -- Be sure that you are expecting the result. Even call upon me to assist you

6.-- -- Do you receive the healing, thanksgiving.....seriously communicate that to the Lord for His goodness."

And that was the end of her message. God bless you and thank you for your faithful prayers and support.

About How We Represent Jesus

July 13, 2022

Jesus, hear our prayers for the salvation of the world. Please grant mercy to all souls that turn away from You. Open their hearts and minds with Your light. Amen.

Mother Clare began, "Lord, the winds of change."

-- --

"Indeed," He replied. *"Things are heating up, getting closer and closer to the ignition point. My main concern in all of this, is the souls that are headed for Hell. So please exert your prayers in their direction. Clare, beloved, continue on as best you can with these conditions. Know that the littlest things you sow have a much bigger affect than what you think. Be faithful in the little things and push in with music. Do not allow concerns you have for your body or the community to take you off track. I am very serious about protecting your time with your gifts.*

"There will be more people coming to the refuge and space will fill up quickly, do not be dismayed about that. Tents work well in the summer. I am sending you little ones, they are most receptive, more teachable, loving, and deeper than those with a great intellect. Cherish them as I cherish them, they are truly My favorites."-- --

"Oh Lord, I love them too. I just want to swallow them up in my arms and shower love on them. Lord, it is so hard to see Ezekiel suffer like this."

"Yet he is in My perfect will. So much will be revealed to you later as to why this had to be. Just love him and don't worry about anything. Stand your ground riveted to Me, we are doing this together. Rest in Me Beloved, this is

affecting you far more than you realize. Cleave to My heart and I will replenish you. How lovely is My dwelling place...yes indeed, I love dwelling within you all? It is a place of profound faith, joy and peace and I love every moment there. Do not be overly--anxious about getting a message, there are times when deeper union must proceed them. I gave you a message last night and you began another as well. If I give you too many, it compromises others because they cannot digest it all.

"There is nothing wrong with asking them to conform to a simpler image. You are dealing with vanity and headstrong souls. But appeal to their charity towards Me, they are representing Me and I do not want anything of the world to represent Me. They must be confident--in My love for them just the way they are and there is no need for embellishments. In fact, when people see that they call into question their authenticity."

"Lord, I feel like a pushover when it comes to these things. Please speak on this."

"My Brides, be not conformed to the world. Be not conformed to your own will by which you display your rebellion and preference for your own judgment. This is an embarrassment to Me. Mother has been very lenient with you. More lenient than I would like. You are all very unique and it shines through your faces and actions. You do not need the things of the world to present a better image. Rather you need more prayer and centering on souls. My Bride must think like Me, act like Me, talk like Me, walk like Me, be concerned over the same things that I am concerned over.-- --

"I wish you to be a little army, completely dedicated to the work. It will go much better for souls to see you united in the way you look. Don't worry, you will always appear scrappy. But do not push back when mother brings up a change...you are not pushing her back, but you are pushing Me.

"There is a reason for you to be united in appearance, as well as united in heart, mind, soul, spirit and work. The outside reflects the inner man. In the things that are important you will be individuals, but in the minor things it

is better to let them go. There is a reason for everything I ask, whether you approve it or not. That is not your judgment to make, it is simply yours to follow and honor My ways and decisions. Clare, dearest, that means you too must wear your veil, doesn't it?"

"Yes, Lord."

"*Good, now that we got that straight we can move ahead. You are all My beautiful Brides, go forth and represent Me well."* Amen!

From Brainwashing into Mind Control

July 14, 2022

Lord, give us the heart to love our enemies, to bless those who curse us and to do good to those who hate us. Amen.

Jesus began speaking, "*It starts with an evil thought from the enemy and morphs into an unnatural and demonic idea and subsequent dark plan. This is how Communism and Nazism gives rise to start wars by forcefully taking control of the people of other nations. Those who resist will simply be eliminated.*

"They start with the youth in their own countries and begin the brainwashing process by reducing their intended subjects' ability to think independently and to introduce new, unwanted thoughts and ideas into their minds. This induction process, over a period of time, changes their attitudes and beliefs, it is how governments get those they govern to cooperate with them. These young subjects start to believe that human trafficking, murder and genocide is acceptable if done for the greater good of the people. They are taught to consider themselves patriots and mercenaries who are serving a higher purpose.

"Ultimately the enemy succeeds in the breaking down of the self, introducing the possibility of salvation through evil means and a good example of this is the communist pilots who bombed Pearl Harbor in World War II and killed innocent people just before crashing down to their own deaths. The last step in mind control is the rebuilding of the subject's self into a new and twisted thought process which produces an entirely different and very much distorted attitude towards their fellow man.

"What can be done about this you ask Elisabeth? Remember the vision I gave you during your group praise and worship?"

And here the Lord is referring to a vision in which our entire group was kneeling at the foot of the Cross. Blessed Mother Mary was in the middle and we were lined up five to her right and five to her left. Our heads were bowed low to the ground demonstrating reverence and great humility before Jesus who hung on the Cross. Then large teardrops of the Lord's shed blood fell upon the top of each of our heads. The blood then ran down our faces and into our opened, palm up hands (the music playing in the background was "Holy Hands").

When His blood reached our palms it formed crosses in each hand and I heard Him say the words.....*"You are being made ready."*

Jesus continued, "*Darkness cannot penetrate love. When My people cooperate with the Holy Spirit, this most powerful and strong emotion of love cannot be breached. When you are clothed with My love, everything else of concern and trouble and what others may do to you, washes over you like water off a duck's back."*

I said Lord, did you really just say that?

"Yes, love, rest assured it's Me speaking."

I laughed when I heard Him say those words because my mother would say that phrase when other students at school or friends would tease or criticize us for being Christians.

"There will come a time," Jesus continued, "*Where you and your brothers and sisters will be greatly tested and come in contact with those who are operating with an ugly, distorted mind set.* ***Remember****, I am forming you now and working in all of you to ready you to be so filled with My Spirit that your total focus will be on Me, loving your enemies, praying for them and crying out to Me for the saving of their souls."* And that was the end of His message.

God bless you dear Heart Dwellers and may the Lord keep us safe until He returns for us.

Pray for the Brainwashed Youth

July 14, 2022

The Lord was just having me to understand what He is doing here, is, He deliberately chose the littlest of the littles because He wants to rebuild His church in a way that He wants it rebuilt, not with royalty and, you know, courts, and all the things that go with wealth and influence. And He is mentioning a grass roots movement that is going to put the church in the hands of the poor, and the people who are very simple and just love Him.

Yeah, He is going to take all the craziness of what is going on now in the Vatican, you know, and the Vatican is extremely powerful in the world, and that is not Jesus, that is the dark people, New World Order, it is not Jesus at all. He is going to bring the whole thing down and start over again, from scratch.

So, He was saying, *"You are doing here what could not be done."*

In another place that He had chosen-

"And you understand why."

Yes Lord.

And He said,

"That is why I wish to begin with the littlest ones, those who know they cannot do anything on their own. Truly, I am the cornerstone."

I asked about Rainbow and Max, and He said, *"This is something they have to go through."*

Lord, please what can be done. Please do not allow my flesh or a demon to get involved in your answers.

I am so attached to that; I am afraid to even hear what He has to say.

He said, *"You are covered, but thank you for being open. They need to stay in Trinidad, they cannot seek asylum, it will not be granted them. Let them walk through the fire."*

Lord this does not sound like You.

And He said, *"It will bring a certain party to their senses."*

Then I said, ok, what is on Your heart?

"My Beloved there are still so many suffering in Ukraine and now in Poland. The situation is chaotic, and traffickers are taking advantage of the circumstances to abduct more children and even women, it is very dangerous. Pray that they will be found out, arrested, and prosecuted, pray for the safety of women and children."

And I asked Him, Is president Trump in danger?

And He said, *"He is ALWAYS in danger. Cover him with prayer, you have been lax in this, please step up your prayers for him. Things are changing for the better in the world on a grass roots level, but the dark ones are still numerous because they have recruited young people who are very impressionable. Now they are fully grown and fully committed to the system. They have been promised much but have no idea how evil these people truly are. There has been a deep indoctrination and forms of mind control used on them.*

"It seems that every time one is taken out, two replace them, so it is a very difficult job. But war is being postponed and many other evil things have

been intercepted. Yes, Beloved, pray for the forces being used to capture these people."

It is a group that he set up, that President Trump set up, to bring down child trafficking and other things as well.

"And at the same time, pray for their conversion."

The traffickers.

"Pray that the web of lies that they are caught in will be torn apart and allow them to go free. There is much work to do on these souls because of the depth of their indoctrination."

And here He is referring to the young people that have been conscripted into the change in the world government.

"Heart Dwellers, you are a prayer force to be reckoned with. There is much hope if you will pray fervently to put an end to child trafficking and the evil one world government that is rising up. Pray that the convincing facade will be removed, and they will see the truth. There are thousands caught up in this web, prayer will turn the tide. Once the truth breaks out and they see it, they will scatter and remove themselves from these evil ones. But there have been massive indoctrination events and many educators, teachers, etc. are embedded in the school system as a recruiting force under the guise of being good Americans."

And I wrote this in caps because He really emphasized this.

"THIS IS A MAJOR PRAYER REQUEST OF YOU MY LOVED ONES, to pray for the youth who have been indoctrinated and made ready to be an active part in the New World Order.

"And on the other side, pray for the white hats, all the programs they have going to reeducate those who do not see the truth. Many times, people overlook the force of young people which are so important to the continuation of life. The evil ones do not overlook them, they enlist them."

Is there anything else You want to say Lord?

"Yes."

And now He is referring to you.

"Tell them for Me that certain desires in their hearts which go against the grain of society and established Christianity, are from Me. Do not be afraid to follow your hearts, I am with you, and I will help you. I will make provision and you will be set free from all the tentacles of this world. Only be advised, you will have opposition on every front. I am not an easy catch and I require much of those who truly desire to follow Me.

"Remember the story of the rich young ruler, he just could not see himself without all his riches and approval from his family. He loved those things more than he loved Me. Be strengthened and encouraged, I am with you. Do not fear anything, for I will make a way for you."

Thank You, Lord.

"Beloved, I have many plans for you, and they will unfold like a priceless rose, just continue to cleave to Me and all will be well. By the way, I am sorry about your music library. It will get resolved."

Yes, my music library is scattered all over kingdom come. We tried to get rid of duplicates and it made an absolute mess. So, pray for my music library, guys, please that it will come back.

And thank you so much for following us, we love you and we pray for you daily.

The Lord bless you and keep you and give you strength of heart to follow Him. Amen.

Accept My Love

July 14, 2022

Lord, help us to be mindful that it is not our place to judge others. Please fill us with the grace to be loving, kind and prayerful towards one another. Amen.

Mother Clare began, "Beloved Lord thank you for not rejecting me in my weaknesses. Yes, I see, how can I judge another, when my sins are running out of me like sand."

"Good point, My Bride. I am thankful that you recognize your own shortcomings in this. There is conviction there yet it is not being followed. In time, it will sink in and connect. But mostly it is very good that you see yourself rightly and not judge. I know you were let down, but you are handling it well. Perhaps another time this could be brought up. Some changes take longer than others in souls who have come from the world. You do not understand the pressures they are under which cause them to do things that are not optimum. You see your pressures, but not theirs. So, it is good to overlook those things in others that seem hurtful to you."

"Lord, what is on Your precious Heart?"

"How much, how deeply and how profound My love is for you and all My Brides. I want to talk about you for a moment because you are still short on self-acceptance. Clare, don't you believe in My overwhelming love for you? I have seen where you have come from. I have seen the circumstances of your childhood and early years, and I have much sympathy for you in My heart because I also see the enemy driving you like a slave driver. He is constantly whipping you with your faults, real or perceived. I hate this. I hate that you must look continually into the mirror of your past and find

degradation there. Have you ever noticed how he only brings up the bad things you did? The shameful things that you have repented of?" --

"I began to tear up because He is so right, it's like I've confessed these things but they still trouble me and it is so demoralizing."

"Yes, that is the point," Jesus continued, "*You are loaded with gifts of a superior quality so he must oppress you with greater vigor. He must waste your time, take shots at your weaknesses and continually set you up for some kind of fall. But as you can see, I am protecting you from doing those things you will regret, I am teaching you how to love unconditionally, not only with your husband but with those all around you. Do you know why you are attracted to other things, especially news?"*

"It changes the subject and gets my mind off of my miserable self. I have so much to be grateful for, why do I complain and seek distractions to numb my pain? I hate that I do that."

The Lord continued, *"Truly it takes your mind off of yourself and you get to see another world which is much worse than yours. It also feeds your logic and intellect, and yes, there are times when I want you to see the news and get caught up. That is why I gave you a white heart last night. I wanted you to know that it was okay for you to get your fill of the news and also a perspective of others outside of yourself.*

"If I could right now, I would take you away with Me, into the wilderness and just spend the time telling you all the things I love about you and that you are worthy to be My wife, I have made it so, and I do not look for the perfect but for the flawed to be My vessels unto honor. I want everyone to see what My grace can do with My little broken pencils. Believe Me, the people you see, that you consider perfect, like Pope John Paul II, have far more flaws than you think. They too wrestle with themselves and their imperfections. They too struggle with self-hatred; it is just hidden from view by outsiders. In fact, every one of My saints struggled with self-hatred because they knew all about My perfection, and could see plainly how far away they were from the ideal. Please allow that to comfort you. And please

take this to heart, I do not look for the perfect and accomplished, I look for the broken and useless, disheartened ones.-- --

"This again is because I want My Mercy to be glorified. It is a truth that I don't look for the gifts of those I choose, I look at their hearts, because I can pour all the necessary gifts into them, I only need a heart that longs to be perfect towards Me. A heart that sees its flaws and mourns over their inadequacies, hoping against hope that someday I will finish the work I've begun in them. They have filled 50-pound burlap bags with their faults and left them there on the loading dock to eternity, hoping against hope that I will complete what I have begun in them.

"So, I am coming to you on bended knee, My precious Brides, believe in My love for you, that you are unique and beautiful in ways that are different from all others. You were created unique and individual, and I adore what you have done and dream to do with your gifts. I love the way you see things, your own very unique perception, and I laugh with you when you see things that a hundred people have passed by without noticing, and you ascribe them all to Me and My Father's creativity. How I long for others to notice these marvels of nature and give Us glory. I hope that they will someday let go of the long lists of their past failures and faults and give thanks to Me that they have the breath of life in them to recognize these very special things. You see the thought that just came into your mind? What did you do with it?"

"I renounced it as the enemy is attempting to pull me back down."

"That's exactly right, it was a shot from the dark to take your mind off of Us and our sweet sharing. Thank you for doing that, because I HATE when that happens, and I want you all to reject these thoughts. Sweet spouses of My Heart, come here, enter into the womb of My love for you and be recreated in My perfected image of you. Seriously, I long for you to flee the insinuations of the world and only concentrate on this love We share. Please, dive in, go deep and don't come up for air...I will supply all. Stay in this womb of love and operate from it. How gloriously you will manifest My

love for all humanity, even the most lowly and desperate. Come My Brides, stay here, you need Me and I need you."

The Power of Spontaneous and Heartfelt Prayer

July 15, 2022

Lord, please teach us how to draw deeper into intimacy with You. Amen.

Mother Clare began, "I see Jesus on the Cross suffering greatly, and there is a stream of people coming towards Him and entering heaven.... thousands. They are not stopping to get books or materials; they were just empty handed coming to Jesus and passing into eternal life. Bravo! Thank you, Lord.

"Lord what would You like to say to us today?"

Jesus began, *"Press in on the deliverance for Ezekiel. It is true that you are in training right now. It is a challenge to focus on Me, Clare. I understand that, just keep trying. I am with you beloved spouse of My heart, how I approve of the crosses you have chosen. They say so much. You are My comfort. Cleave to Me even more and more each day."*-- --

"Lord, can you help me with suggestions?"

"I love it when you collapse at your altar and just start speaking to Me from your heart. This is My favorite form of prayer, it is so real, so raw and you immediately connect with Me. Why? Because I am waiting for you. I know everything you are going through and I can't wait to hear you speak your heart to Me.

"The organized prayers are good when your heart is truly in them. But there is nothing quite like My Spouse believing so fully that I am there for them, when you collapse before Me with your troubles.

"I rush to meet you Clare. I rush to comfort you and all My Brides and hold you. I bring life into your failing heart and restore hope through our fellowship. Please do not put as much weight on the written prayers as you do just being one on one with Me. This is where we connect on a deeply intimate level. This is where you believe that truly I am with you and interested in every word you speak. This is where We come together nose to nose, so to speak, and your sweet breath mingles with Mine. Oh, how I long to infuse you with My tenderness, power, and faithfulness.

"Usually, you quickly see Me and begin to relax in My presence. I love when you gaze into My eyes, uninterrupted. Yes, they are the window to My soul, and I long to fling open the door so you will come in and rest with Me a while. These are the suggestions I have for all My Brides to attain to a deeper level of intimacy with Me.

"Come believing, come expecting, open your eyes and see Me, feel My hand on your cheek, and drink in the wonder and compassion of Our love. Yes, this is where all the walls come down and we meld into one another, in the purest way. Your thoughts become Mine, My feelings become yours, and My response guarantees the solution to all your woes.

My mind drifted to a conversation. Before I knew it, I was judging, I renounced it.

He said, *"If you come to a conclusion about something without any kind of blame or judgment, you have not sinned. It is only when you draw a conclusion and assign guilt that you have sinned. You do not know the heart of another, I do. Therefore, never judge, especially because your judgment is like an arrow in another's back. That is when you lose ground with Me.*

"However, if I allow you to see something about the soul, and you pray for them and think of how you can help them, you lose no ground with Me. Rather I am proud of you that you care for them as much as you care for yourself, not allowing any personal slights to detract from their stature.

*"Go now in peace My Beloveds and practice what you have learned. Share it with everyone, for it will quickly bring them into the wedding chamber...*and in the background of the Rosary, I heard, *"This day you will be with Me in Paradise." Yes, to live and think and pray this way will quickly take you to Paradise."* Amen!

The Crime of the Century

July 15, 2022

Lord, please give us the strength to pray continuously for these poor, exploited souls. Amen.

Heart Dwellers, so many people around us and even far away are getting these severe headaches, fever, and sickness. It acts even like COVID. And I just, I just know, somehow, I think supernaturally from the Lord, that this is another disease that they have, the dark hats, have put out for people to get sick and die from. And then Jesus began. He answered me immediately and He said,

"Yes, this is a manmade plague similar to COVID. Clare, it is no longer necessary for them to come in contact with the disease, rather it is broadcasted throughout the cities and the country. This is cutting edge technology for the destruction of mankind. They have never wavered in their desire to eradicate all of mankind. Behind it all, the fallen angels are working to turn this planet into one that cannot be inhabited by human beings. AI is in consort with them. For now, AI seems to be a mutually beneficial program to every sphere of life, however, at the appropriate time, there will be a switch flipped for outright destruction of all.

"They are in fact laying the groundwork,"

Now He is talking about the fallen angels, the demon aliens.

"They are in fact laying the groundwork through gullible men and women, giving them the impression that this is a wonderful help to their ends."

The technology, that is.

"So, the hunter has become the hunted but knows it not. Yes, the inventors realize that it could turn on them, but they have no concept of what the real motive behind the fallen angels' technology really is. They have given it to them so that by their own hands they would destroy their own world.

"And the dark ones believe a lie, that these technologies will make them rich, but in fact they are their demise. This is being allowed, whereas the demon aliens cannot do it themselves, they very cleverly disguised their motives and encouraged the greedy for power and money, to lay this groundwork for them, without really knowing the motive behind it. They are laying the groundwork for their own destruction."

The people are, by cooperating with demon aliens and using their technology.

"What is being done to the world's poor population is the most unjust and cruel invention of wicked men. Stealing from the poor, displacing them, and finishing them off with war, sickness, and famine. Oh, do pray for these little ones who are living in unbelievable squalor for lack of a place to go or any means to support themselves. Please, put yourself in their shoes and then pray. You were once in a place like this for a couple of days when you had no food but a little flour and water and your three children and husband on the side of a mountain. But you can imagine, never being able to pull out of that. Thank Me for every bit of food you are privileged to have, because so many are dying of famine, disease, war, and outright extermination.

"You could never pray enough for what is taking place, so try to pray continuously that they will be relieved."

Oh Lord, please bring sustenance and medicine to those who are suffering deep need.

That is the prayer that He gave me.

Heart Dwellers, all over the world, pray for the poor ones, those who have lost their houses, their jobs, and a way to provide for their family. Even the

food distributed among them is full of harmful contaminants. This world is in a terrible place.

Lord, what about Donald? President Trump?

He replied, "*He is doing his best with the little power he has. He is pressing in to capture the workers of iniquity and see to it that they are prosecuted, but his influence is not as far reaching as the indoctrination to young people is. There must also be a campaign to raise awareness of who is doing what and why. All of this costs money...but it is only through a massive concerted effort that this can be turned around, for the dark ones have well prepared children from school age up to carry out their orders.*

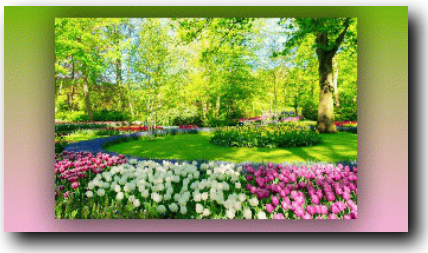
"I know it seems inconceivable, but it is exactly what they have done and only My Grace can reveal the true motives behind conscripting and enlisting these children. They have been sold a bill of goods and glory if they cooperate and do their best.

"My People this is the greatest crime of this century, voting these men into power, or allowing them to steal elections, but the people did not listen when I warned them again and again how serious the situation really is.

"Prayer is what is needed, prayer along with any sacrifice you can make will turn My Father's head to bring this down. I love you all so tenderly, keep working, keep praying, I am with you."

A Well Watered Garden

July 16, 2022



We were gathered together as a community on Sunday and Mother Clare put worship music on shuffle for Holy Spirit to pick the songs and the first song that came up reminded me of calypso music and immediately, I was transported to Heaven.

In vision, I saw Jesus, Mother Clare and I were strolling in a meadow filled with beautiful, wild flowers near my little heavenly cottage by the sea. Mother and I were wearing white, gauzy dresses and Jesus had on a white shirt of similar material and khaki colored pants, we were all barefoot walking in this incredible field with trees bearing the most amazing fruit, the colors of the flowers, birds and butterflies were so stunning you couldn't help but admire God's beauty surrounding us. Mother Clare had picked a gorgeous bouquet of flowers and we decided to head back towards the cottage when we saw Brother Mike's boat, aptly named "Son of Thunder" tied up at the dock.

We heard much laughter on the island in the middle of a lovely, pristine lake and knew that Brothers Leo, Mike and John were having a good time with Papa God. They each were telling Father which water slide they liked the best. John's favorite was the horizontal corkscrew slide, Mike's favorite was the vertical corkscrew because it was the fastest and Leo's favorite was the forty-foot drop slide that shoots you out at the curved end of it, right through a waterfall into a huge pool of water. Every time Father God would laugh, the Heavens shook with great mirth and all the inhabitants of Heaven would experience His merriment and joy.

Mother Clare, Jesus and I headed into the house and Mother went straight for the kitchen to lovingly put the flowers she obtained from the meadow

into a glittering, diamond and crystal vase. She set the flowers on top of a pearlescent white, ivory baby grand piano, sat down and began to play music. I was riveted from the sound coming from Mother's playing. It sounded like a philharmonic symphony on steroids. The Lord turned to me and said, *"She will play music like this on earth."* I could not immediately comprehend what I was hearing until Jesus joined my mind with Mother's and then I could feel her hands, heart and mind being infused with the Holy Spirit, choirs of angels and something I had never felt before.....a gifting of musicality and song that transcended any music heard on earth.

This reminded me of an outdoor concert my family and I attended in Florence, Italy. There was a female conductor and a world famous violinist and at the time I thought that was the best music I had ever heard, that symphony didn't compare, didn't even come close to the music emanating from the baby grand piano as I stood there watching Mother Clare's hands flying over the piano keys almost as if she wasn't even touching them. I could clearly see Satan and his devils writhing in agony and hating it every time Mother played a note.

The Lord broke into my thoughts and said, *"Recall the words My Spirit gave you previously about My music ministry through Clare."* Here are the words the Holy One spoke, "*Call upon Me and the Blood of Jesus to be the armor to your hearts and minds, then loose spirits of creativity, musicality and ask for gifts of heavenly songs over your vocal cords. Ask Us to help you create beautiful music, to give you Our DNA and to play and sing as if you are in Heaven singing to Us, saints and angels and all of the great cloud. When you ask Us to help you with that childlike faith, we show up in a way that is unsurpassed, ready to equip and endow you with all the graces and blessings needed to achieve the work of the Father. Then these gifts and graces manifest into holy weapons to be used for Our purposes. It is like a well-watered garden flowing down over you and through you from Our throne to heal hearts, bodies, souls, and spirits of those who hear and listen to Our vessels, that the sound of your voices, music and messages would break strongholds and destroy the works of the enemy. All you need to do My little ones is ask for these gifts and talents in heartfelt sincerity,*

because what will be given to you is already written in Heaven." And that was the end of Holy Spirit's words.

A Bible verse from Jeremiah 31:12 popped into my head, "*They will shine over the goodness of the Lord, over the grain, over the new wine, and the oil, and over the young of the flock and the cattle. Their life will be like a well-watered garden. They will never have sorrow again."*

You Are On the Brink of WW3, PRAY!!!!

July 17, 2022

I was in Adoration as the Lord has commissioned me to do a three-day retreat to just be with Him and work alongside Him. During my time of Adoration, he played the song from the soundtrack of the Passion of Christ, 'The Olive Garden, Night Sky 'when he was in Gethsemane. The picture said it all as Jesus looked so sad with the crown of thorns on. I began to ask Him what was on His Heart because Father Ezekiel had been suffering terribly for the past two days and I knew the Lord's heart was hurting as well. Then when I was about to end the last song He was playing when I heard quietly in my heart, *"You are on the brink of World War Three, consecrate a seven day fast and pray."*

So, I immediately began writing.

Jesus I am here, I am here, Lord.

Jesus began,

"*Be with me My beloved Bride. Pray with Me and petition the Father for mercy for the world. You are on the brink of World War Three and I have chosen you and all My beloved Heart Dwellers to be My little Apostles of Mercy as St. Faustina was. There is nothing more irresistible than a pure soul who comes before the Father petitioning that His will be done on Earth. This is not His will, yet beloved one. But all players are in their position and in the ready at any moment to begin shooting missiles, rockets,*

bombs and ultimately a nuclear attack that will devastate your nation and incite World War Three.

"My people have become lax and weary from battle. I understand My Brides how do you think I feel? My Heart is also war torn from the death, devastation, the wickedness of this world, and the evil one and his servants, but My Brides you hold My authority, and you have the power in your hands to yet again rewrite history and forestall the most devastating war the world will ever see, superseding all the wars that came before it.

"There is nothing glorious about war, but tremendous tragedy, suffering, loss, and demoralization. Please pray, My beloved Brides. Consecrate a seven day fast to petition the Father for mercy. Offer everything you can, the smallest to the greatest sacrifice you can give Me, I am grateful for it all and be with Me in the garden interceding, praying, believing, and calling forth My mercy to yet again forestall the horror that awaits mankind until the appointed time."

Just then I looked up as I focused on the painting in my room done by one of our sisters of Blessed Mother weeping, holding Jesus in her belly who was in the womb that looked like the world.

"My Mother weeps for the little ones those who will become orphans in an instant. Children raising children because their parents will be lost in the war, lost in the fight that is where you are headed My Brides. This will not just affect America, but the whole world so please heed My warning seriously and pray, pray, pray like you have never done before. Pray for hardened hearts to be softened, the sleepers to wake up especially in My church so that they too can be privy to what is truly going on and come along side you in prayer.

"The devastation will be tremendous, touching every citizen from the poor to the rich as the Anti-Christ Obama will then avail himself to rise up as the victor in all of this to end things and commence their long-awaited liberation of all things wicked and evil, the tribulation. It will be hell on Earth quietly literally, My beloved ones. I need your prayers and sacrifice.

The world needs your prayers and sacrifice. The unbelieving and lost need your prayers and sacrifice. Stand with Me, My Brides do not let me down. I am counting on you. I know you have been weary from this battle."

And here, guys, Jesus was reading my thoughts at that moment because I do not know about you, but I have with everything and concerning our nation, wondering when things would change or if our prayers have done at anything at all, as I apologized to Jesus in my heart for hurting him with my unbelief.

Jesus continued,

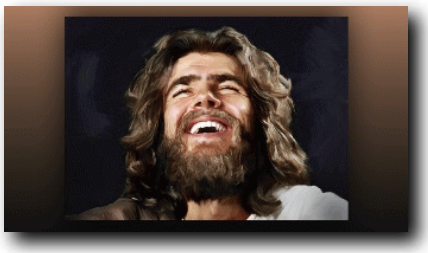
"But things are changing behind the scenes. I have been slowly turning the tide and that is the very reason they are escalating things and rather pushing feverishly to begin this war because they know their time is short, but just as I told the Pharisees who wanted to take my life, their hour had not yet come and I say the same to them, their hour has not yet come, the reign of darkness is appointed for another time very soon. If My beloved ones would pray, the Father may relent again, and you will be given more time, more grace, and more mercy in increments. Please pray my dear ones, Heaven will hear and heal your land."

And that was the end of Jesus' message.

I bless you family with the grace of prayer and supplication to be poured out upon us all. We will need it for the days ahead and to be sensitive to stay with Jesus in the Garden and pray the Fathers will be done and for the sake of His sorrowful passion that He would have mercy upon the whole world.

Make Me Smile

July 20, 2022



The Lord bless you, dear family.

As I came into prayer today, I was seeing a scene from a battlefield. Just a lot of- the way a battle goes- what is that word I am looking for? - Chaos. A lot of chaos. And blood. A lot of people being wounded and hurt. I am not exactly sure if that relates to what is coming, or if it is an allegory for what- the fight that is going on right now, to take over, or to make - for the good guys to win, for the white hats to win. But I did ask the Lord, and He clarified it for me.

I said, Lord is this You in my mind or my own imagination?

And He answered, "*It is Me and it will be a bloody war, not necessarily on your street, but none the less, bloody."*

Is this the war that Henry Gruver spoke of?

Jesus continued, *"No, it is the precursor, depending on how it goes. Still there are many forces allied with the antichrist, however they have been dealt some decisive blows. They are crippled in many areas, but those who are workers of iniquity are not looking for money, but for vengeance. This war is necessary to wake up America. But the prayers of My people,"*

Yeah, they came over last night to accompany father because he was in travail, and they began to pray, and it was powerful, it was so powerful, it was gut wrenching, really. And Ezekiel was in intercession last night for our nation.

And the Lord spoke to you directly here. He said, *"Your prayers have pierced My Father's heart in Heaven, and we shall protect your loved ones.*

No one can calculate what these events will accomplish, except for one thing, sleepy headed prosperity Christians will finally awake.

"There is a movement now of My Spirit to make many secretaries of My love and mercy all over the world. For those with a pure heart that want only My will, for those I am offering them the gifts of knowledge that will help them to inform their little prayer group.

"The days of boisterous high-profile prophets are coming to an end. Now instead I am looking at the little ones that have been waiting in the wings, obediently, doing My will each day without asking for perks or fame, rather holding up against the storm of ridicule the more accomplished and intelligent, middle class tends to dismiss them with and assigns them the title "Of No Account."

"Yes, these days are coming to an end, and I am raising up my faithful little ones who have no interest in money or being acclaimed and confirmed as great men and women of God. They only want to be My faithful lovers, and care little for anything the world has to offer."

And for all of you who do not really understand about the Franciscan lifestyle of voluntary poverty, it is basically just keeping things so simple that you are not encumbered by all kinds of things you have to do to maintain what you have, it is just a stripped down lifestyle, well, that stripped down lifestyle enables us to spend more time with the Lord and get less entangled in worldly affairs, and how I managed to fail at that I will never know, but I do have a problem there but I am still working on, it is getting better, but it is there. Ok.

So, the Lord continued,

"I want you to bring them forth, Clare, and arm them for combat. Yes, binding prayers, but most importantly meekness and humility so that My Angels will rush to their aid in difficult times. My Angels search the world for the meek and humble of heart because they delight in foiling their many enemies who also see them as of no account or value. These I will exalt

because their only concern is My Heart, and how they can make Me happy and make Me smile. Yes, I love that Rhema card you made, 'You make Me smile.'

And that is the title of this message, because is it not our hearts' desire, to make the Lord smile? Make Him happy? I know it is for me.

And then the Lord continued, and He said, "*How do you make Me smile little ones? Sitting quietly with Me and perhaps kissing the monstrance and holding Me close to your heart. Staying little-*

Oh, by the way, a monstrance is a place that we keep the Blessed Sacrament, the true presence of Christ.

"Staying little and out the ego battles over who said what, when, and who is right. Littleness, littleness, littleness, of no account. Void of an opinion until I open their mouth. Those who take the time to look after the needs of those around them who are incapable of caring for themselves also make Me smile.

"Those who rush to the defense of the helpless and refuse to gossip or back bite, they make Me smile. But especially those who value their hours of time spent with Me more than busy work that surrounds them. They have a fence around their hearts and time, it stops the onslaught of must do's that others jump to run and complete. They honor My desire for them to sit with Me, and sincerely adore Me. And many times, they are the very littlest ones, even the homeless who have long ago left the world to be with Me. What a great treasure they are, even with all their problems. They have recognized the futility of the world and left its pressing priorities far behind them...just for Me.

"Well, My Love, I want you to know this, I am raising up the army of little ones who have no time for the world, just time for Me. Speaking of which, it is imperative that you get your messages up every day. I want to prepare them day by day and these long periods of silence defeat My purpose. Please, every day, fresh manna, no excuses, no other projects first. I am

giving you a very serious mandate, do not be tardy with My words to the world. In doing this, I cannot instruct and prepare hearts as I need to.

"Little ones, this is your time. You have watched carefully the apostasy in My church and My Body and have refused to follow it. Now is the time for you to begin to be nourished on My words to you, even as this vessel is nourished and shares it with the world. Be faithful to your visions and words because I will speak to the world through you. Keep your heart free from any sense of self-importance, when others begin to follow you. I will be with you to help you discern, ask My mother to help you. I bless you now and hand over the scepter of My Wisdom to all of you who are called to minister and are willing to be raised up to others even the way this channel has ministered to you. I will bless and keep you and prove you in discernment. Have no fear."

That was the end of His message.

The True State of Man's Hearts

July 20, 2022

Thank you for the gift of prayer Lord, that we may continually use this gift and press into prayer for others to honor and glorify You. Amen.

I had just received the Lord in Holy Communion and was resting with Him feeling an indescribable love in my heart, when I was instantly taken to Heaven. Jesus was standing before me with an intent look on His face and said, *"Come dear Elisabeth, I desire to show you something which is very much on My Heart."* We walked down a very long, wide hallway which was beautiful, but as we drew closer and closer to the door at the end of the hall, I felt more and more uneasy about going through the door. Right before the Lord put His hand on the doorknob to open it, He turned to me and said, *"I will endow you with the grace to understand more fully what you are seeing and hearing."*

I said, "Thank you Lord."

We stepped over the threshold and I couldn't believe what I was seeing. The whole, vast room was filled with beating hearts. My heart broke and was devastated over the fact that most of the hearts were entirely black, some were three quarters black, other were half black and very few had only spots of black here and there. I dropped to my knees and held my face in the palm of my hands and began weeping uncontrollably. I then heard out loud what the blackest of hearts were thinking..... horrible, wicked thoughts passed through their minds. They wanted to hurt and kill people, commit murder without a flicker of remorse or regret, it was beyond my comprehension to take in the horrendous thoughts of these black hearts. Through my sobs, I said, "Lord, please make their words stop." And then finally there was silence. Tears continued streaming down my face when I

realized that Jesus has to constantly hear these evil, wicked thoughts and see them carried out in their actions.

Jesus began speaking, *"These minds are being control by Satan and continually fed by the demons assigned to them. I, too, weep over them for unless they respond to My love and mercy, they will be doomed for all eternity. Your assignment is to help bring these lost ones to Me."*

How do we accomplish this, Lord?

"Continue to pray for these souls who are so precious to Us, and when I bring them across your path embrace them, love them, give to them until it hurts, and in this way you will resemble Me."

Just then I suddenly, without notice, felt violently ill, and the sick feeling stopped as quickly as it started. This reminded me of when I had to call a local satanist, I prayed, did the sign of the cross over my phone and right before the call and during the call, I felt wretchedly sick to my stomach..... after the phone conversation I was fine again.

I said Lord, "Why does sick feeling happen?"

He replied, *"So you will be in sync with Me when dealing with others who are not evil by My creation, but who have become agents of evil by intentionally or unintentionally disliking My people by going to extreme measures when it comes to My followers. Saul was a prime example of this mindset and behavior before his conversion.*

"Most of these darkest of hearts don't think of themselves as performing wicked acts against others, they tend to minimize or justify their actions in crime and in war. Some of the worst atrocities have been motivated by Utopian ideals, especially coupled with irrational, conspiratorial belief and dehumanization. They have a mental disregard for righteousness, truth, love and Me. When inflicting pain or harming another to death, they feel it their duty to achieve an environment of perfectionism."

He continued, *"You are thinking, can a good person turn evil, yes they can fall prey to sin and perform evil acts, that is precisely why all of your prayers are so very important. We are at a* ***critical*** time in your nation's history and your prayers and sacrifices are making a difference. Keep pressing in!" And that was the end of His message.

Just then I saw Father Ezekiel's face and heard him repeat, "Keep pressing in! Father continued, "My child, I am going to leave you for a little while, do not be disturbed by this," and then his face dissipated right in front of me.

At the end of the Divine Mercy Chaplet that same afternoon, I again heard Father Ezekiel say, "Please, please keep praying, it's **critical**. Please give of your hearts into what you are praying for, make it loving and intentional put yourselves into the situation you are praying about." I thought it was unusual since we were all gathered together praying for divine mercy and lifting up many prayer intentions and Papa is in the next room, but when he said the word, "critical" I could feel Holy Spirit's presence, magnifying that word, just as Jesus did earlier when the Lord said, *"We are at a* ***critical*** *time in your nation's history."*

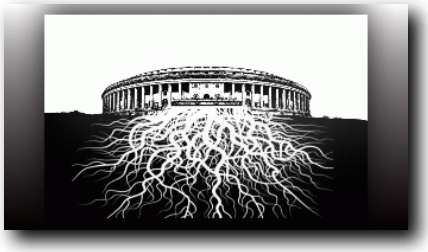
It was so strange that Father Ezekiel was with us physically, but he was moving in the spirit and reiterating what is on Jesus' heart.

There was a time a couple of months ago, I was in deep prayer in front of the Lord and I clearly heard Father Ezekiel say, "Honey, would you come see me right away I need to talk to you." Well, I was so startled by the clarity of hearing his voice, that I immediately came out of prayer, shot out of my heritage, ran down the hill, race to Mother and Father's house and headed back into Papa's room. I said, "I'm here Papa, you wanted to see me?" He smiled and said, "I'm glad you made it, I was needing to speak to someone." I said, "You could have used the walkie," and Papa replied laughing, "Oh, this is so much more fun, to think it, pray about it and actually have someone show up!"

God bless you dear Heartdwellers and let's all press into prayer for the conversion of the unsaved!

Deep State Plans Against Us

July 20, 2022



Hello, dear Heart Dwellers. This message is regarding the Deep States Plan and the Lord's response to it. The Deep State plan was revealed to us by Satanic Ritual Abuse Survivors, anonymously.

The Lord has assured us that it is authentic, though.

Attention: Deep State Plan!

This tape was made to me by Satanic Ritual Abuse Survivors

1. An illusion it will be, so large, so vast, it will escape their perception.

2. Those who will see it will be thought of as insane.

3. We will create separate tracks to prevent them from seeing the connection between us.

4. We will behave is if we are not connected, to keep the illusion alive. Our goal will be accomplished one drop at a time, so as to never bring suspicion upon ourselves. This will also prevent them from seeing the changes as they occur.

5. We will always stand about their relative field of experience, for we know the secrets of the absolute.

6. We will work together always and will remain bound by blood and secrecy; death will come to he who speaks.

7. We will keep their lifespan shortened and their minds weak, while pretending to do the opposite.

8. We will use our knowledge of science and technology in subtle ways so they will never see what is happening.

9. We will use soft metals, aging accelerators, and sedatives in food and water, also in the air.

10. They will be blanketed by poisons everywhere they turn.

11. The soft metals will cause them to lose their minds, we will promise to find a cure from our many fronts, yet we will feed them more poison.

12. The poisons will be absorbed through their skin and mouths. They will destroy their minds and reproductive systems.

13. From all this, their children will be born dead, and we will conceal this information.

14. The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe, and water.

15. We must be a genius in dispensing the poisons, for they can see far.

16. We will teach them that the poisons are good, with fun images and musical tones.

17. Those they look up to will hide. We will enlist them to push our poisons.

18. They will see our products used in film and will grow accustomed to them and will never know their true effects.

19. When they give birth, we will inject poisons into the blood of their children and convince them it is for their health.

20. We will start early on when their minds are young. We will target their children with what children love most: sweet things.

21. When their teeth decay, we will fill them with metals that will kill their mind and steal their future.

22. When their ability to learn has been affected, we will create medicine that will make them sicker and create other diseases, for which we create yet more medicine.

23. We will render them docile and weak before us with our power.

24. They will grow more depressed, slow, and obese, and when they come to us for help, we will give them more poison.

25. We will focus their attention towards money and material goods so they may never connect with their inner self. We will distract them with fornication, external pleasures, and games, so they may never be one with the oneness of it all.

26. Their minds will belong to us, and they will do what we say. If they refuse, we shall find ways to implement mind-altering technology into their lives.

27. We will use fear as a weapon.

28. We will establish their governments and establish shape since within. We will own both sides.

29. We will always hide our objective but carry out our plan.

30. They will perform the labor for us, and we shall prosper from their toil.

31. Our families must never mix with theirs, our blood must be pure always, for it is the way.

32. We will make them kill each other when it suits us.

33. We will keep them separated from the oneness by dog nine religion.

34. We will control all aspects of their lives and tell them what to think and how.

35. We will guide them kindly and gently, letting them think they are guiding themselves.

36. We will foment animosity among them, though our factions.

37. When a light shall shine among them, we shall extinguish it by ridicule or death, whichever suits us best.

38. We will make them rip each other's' hearts apart and kill their own children.

39. We will accomplish this by using hate as our ally, anger as our friend.

40. The hate will blind them totally, and never will they see that from their conflict, we emerge as their rulers, they will be busy killing each other.

41. They will bathe in their own blood and kill their neighbors for as long as we see fit.

42. We will benefit from this, for they will not see us, for they cannot see us.

43. We shall repeat this over and over, until our ultimate goal is accomplished.

44. We will continue to make them live in fear and anger through images and of sounds.

45. We will use all the tools we have to accomplish this.

46. The tools will be provided by their labor.

47. We will make them hate themselves and their neighbors.

48. We will always hide the divine truth from them, that we are all one. This they must never know.

49. They must never know that a man's color is an illusion. They must always think they are not equal.

50. Drop by drop, drop by drop, we shall advance our goal.

51. We will take over their land, resources, and wealth, to exercise total control over them.

52. We will deceive them into accepting laws that will steal the little freedom they will have.

53. We will establish a money system that will imprison them forever, keeping them and their children in debt.

54. Where they shall band together, we shall accuse them of crimes and present a different story to the world, for we shall own all the media.

55. We will use our media to control the flow of information that they are sent and sentiment in our favor.

56. When they shall rise up against us, we shall crush them like insects, for they are less than that.

57. They will be helpless to do anything, for they will have no weapons.

58. We will recruit some of them to help us carry out our plans. We will promise them eternal life, but eternal life they will never have, for they are not of us.

59. The recruits will be called initiates and will be indoctrinated to believe false rites of passage to higher realms. Members of these groups will think they are one with us, never knowing the truth. They must never learn this truth, for they will turn against us.

60. For their work, they will be rewarded with earthly things and great titles, but never will they become immortal and join us. Never will they receive the light and travel to the stars.

61. They will never reach the higher realms, for the killing of their own kind will prevent passage to the realm of enlightenment. This they will never know.

62. The truth will be hidden in their face so close; they will be unable to focus upon it until it is too late.

63. Oh yes, so grand will the illusion of freedom be, they will never know that they are our slaves.

64. When all is in place, the reality that we have created for them will be their prison. They will live in self-delusion.

65. When our goal is accomplished, a new era of domination will begin.

66. Their minds will be bound by their beliefs, the beliefs that we have established from time immemorial.

67. But if they ever find out they are our equals; we shall perish then. This they must never know.

68. If they ever find out, then together they can vanquish us, they will act.

69. They must never, ever find out what we have done for if they do, we shall have no place to run for it will be easy to see who we are once the veil has fallen. Our actions shall not reveal that we are, they will hunt us down and no person shall give us shelter.

70. This is the secret covenant by which we shall live the rest of our present and future lives, for this reality shall transcend many generations and lifespans.

71. The covenant is sealed by blood. We are the ones who from Heaven to Earth came.

72. This covenant must never, ever be known to exist. It must never, ever, be written or spoken of for if it is, the consciousness it will spun will release the fury of the prime Creator upon us and we shall be cast into the depths from whence we came and remain there until the end of infinity itself.

Mother Clare began,

Good morning sweet Lord.

What is on your heart today, Lord?

"I sent that report to you because it is important. There are many things you should know. It is authentic, but most are too lulled to sleep to pay attention. Nevertheless, the ones who will act are 'On It' which is what is most important.

"You see we really are making a difference, yet there is a wheel turning within a wheel that determines the times and where we are going. Because of the efforts of the white hats with President Trump, things are not running as they should for the complete demise of the people. The awake ones are standing and fighting for the freedoms this country has been known for.

"There will be civil war, but not necessarily with people against people, but those who have been raised in the underground cities against the true citizens of America. They will be difficult to tell apart. There are many who are already planted in key positions to further that agenda.

"You My People are called to conquer the world with love. This is a great challenge because those without souls will not be affected by love.

"You are learning."

Oh Lord, please stay close to me, and help me through this confusion. I repent of any judgments I might have had towards a certain soul.

"For some, nothing is easy. Stay inside the safe zone...allow Me to cover and protect you so that you will only hear Me.

"As things begin to come together, there will be two camps in America the sleepy establishment groups and the awake patriotic group. There will be underhanded battles all throughout the political establishment. But you are to be upright, forth right and on the side of truth. Families will become even more divided."

Lord, please tell me the cure.

"Love and perseverance. Seeking the truth and rejecting lies and errors. Every government is corrupted and therefore divisions and anarchy will rein around the world. It will be because of the pain families will endure that they will turn to Me and seek the truth. There are massive plans to slowly kill off the population with poison in the food chain. This is why it is more healthy to eat from your own sources. Fast foods will continue to poison, and human flesh is being incorporated in all canned foods, even for pets. What a terrible thing this is.

"Why am I telling you all this? Because your prayers are powerful and that same dedication to prayer that brought about the decrease of the black hats, will continue to do so if you continue in prayer against their evil agendas. This is good news Clare; it means that each of you can impact these serious moves to exterminate humanity. But you will need to find clean sources of food or have your own. Even the feeds and fertilizers will be contaminated. It would be good to have a good organic garden source.

"In the meantime, My People, I want you to fellowship with one another, have praise and worship behind the scenes, as the churches will move more and more towards being underground."

And that was the end of the Lord's message.

May God be with you, Heart Dwellers.

Comfort The Suffering

July 21, 2022

Lord, help us to see Your suffering in the suffering of others and to respond with comfort.

And before this came on with father, I was talking to the Lord about any missteps I might have made and He said,

"But here we are in My agony, and these things are so nothing more than trifles. Yes, comfort Me because My agony is beyond imagining. I know what must eventually happen, but even now the suffering is beyond comprehension, and living in these souls, I feel every bit. "

That is what he is suffering for, the combined sufferings of the world at this moment and in the "newar" future.

Now this is interesting. The near future came out, n-e-w-a-r future. New-war future. Right? That is very interesting.

Jesus, Jesus, Jesus!!!

And He said,*" All that you can do is comfort and pray, comfort and pray. Your music comforts Me, Beloved. Can you please grab hold of that? It comes from your heart and lungs and goes into My Heart. Let Me play through you and we will both be comforted."*

And I said, Lord I need a new grace to just play.

And He said, *"It is coming, do not despair.*

"You can see the suffering of the whole world on his face just as you saw it on Mine. Comfort, comfort, comfort. It doesn't matter to Me that you are

eating, because I know you are hungry beyond distraction."

Well, let me fill in a little bit here. I did not eat before we came into prayer, so I have been nibbling because my stomach was totally distracting me from the Lord. And also, just to explain, Ezekiel was going through the Passion, which just started shortly after we came into prayer. And I went back to see him, and he was really, really suffering. So, the Lord is sharing a message on that. And it is people throughout the world who are suffering, and you can see it in the Lord's face, and you can see it in Ezekiel's face.

And then He said, *"When he is like this, you can see the people throughout the world who are suffering.*

I am here, I am near, we are together as one. Do not doubt, just continue.

"So, as I told you before, this does not bother Me, because I understand."

Ok. It does not really bother me that I was eating, and He said, *"But as I told you before, this does not bother Me because I understand, however, others will not, so you must be careful.*

"What more can I say? The expression on his face tells it all because he has united himself with My very own sufferings. What a treasure he has been given.

"My children, comfort Me in the afflicted. When you see suffering do what you can, do what is yours to do to alleviate it. Do not walk by, forgetting My agony. Rather lift the burden, with a prayer or word or music to soothe the soul. But do not walk by without any response. Do what you can do, take these sufferings upon yourself to lighten the burdens of a victim soul. Yet all of you are called to different works, do not neglect what I have specifically given you, but do take breaks to comfort the afflicted. I know this is in your heart Clare, and I give you full permission to comfort him when he is like this. And yes, your Rosary Prayers are very powerful.

"Grace is truly amazing," Jesus continued.

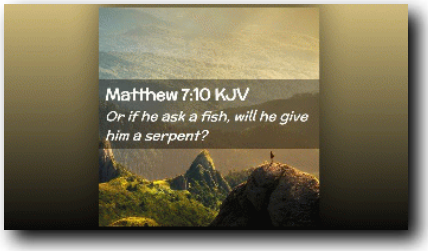
"An amazing force because it supplies whatever is needed by the soul. It conforms to the need, bringing comfort to the most attacked and separated souls. You all get a turn where you need this kind of comforting. And it is always Me under the disguise of you or another soul, that you comfort. You know that I suffer with each soul, therefore when you see them suffering, you can know that I am right there with them. Do not waste any time arguing with yourself, just respond in charity and comfort Me.

"There are times coming when many will need this comfort from My Bride. Children, be there for one another, in rain, and wind and snow, be there to take away the pains of the suffering. It is not always about being healed, rather it is about knowing that someone cares enough to keep them company."

And that was the end of His message.

A Snake or A Fish

July 21, 2022



Lord, please help us to understand that You are for us-not against us and we can place our cherished ideas and wants in Your hands and if they are beneficial to us, You will grant the request. Help us not to run from You in fear that You will turn us down, for the only time that You turn us down is when something will not be good for us. Help us to trust, Lord. Amen.

Ok. So, dear family, the Lord was talking to me about a piece of equipment that I need, and so I was looking at it and it was very expensive, and I was troubled by that.

So, He immediately began speaking to me and He said,

"I am not displeased with you, I want you to have this gift. There is a very specific reason, please lay aside the guilt and receive from Me."

I answered Him, I wanted to make sure I was not being misled, because it was something I wanted for my work but got very bad readings after He said that, not confirmations. And then the thought came to me that the Lord wanted me to have the smaller version, but not the big one. And I went to the Bible Promises again and I got 'Holy Spirit.' So, thank You, Lord, because I had written after that, - I had written-Lord, please help me. Do not allow me to deceive others...PLEASE.

And then after I got this I said, I am humbled, but thank You for correcting me. I feel better about what You have told me, Holy Spirit, about the smaller item. Please lead me through this, through the man who is providing for us.

He continued, "*I have not forsaken you. You received the correction well, thank you for coming to Me. This is most important in all major decisions, so you do not make room for the enemy to lead you into sin. Try Clare, to come to Me sooner so that you do not go down the wrong road. This was a tad late."*

Yes Lord, I am sorry, I was afraid.

"Afraid," He answered, *"is sin. When will you learn to trust Me? I know it is not easy, but it is necessary. I am watching out for you, you know.*

Yes. I know, Lord.

"You picked up on My idea when I played Road to Emmaus,"

This is a song that He wants me to put a little story to.

"So now I am asking you to follow up and do this, even today. Are you with Me?"

Yes Lord. Thank You for the direction, it is really helping me.

Because when I sit down to work on music or a message or anything, I really need to know that the Lord is leading me in that way, and sometimes I get to the point where there are so many things, so many possibilities that I do not know where to start. So, it is wonderful when He tells me.

So, I told Him thank You for the direction, it is really helping me.

And He answered,

"And that is what I am here to do, help you. A journey into trust, this is a holy work that calls for your wholehearted response. So many refuse to acknowledge that I am there during dwelling prayer and other times when important decisions need to be made, they leave Me out until the very last minute. That really causes disorder and disappointment. I much prefer that you come to Me early on with the decisions you have to make.

"If you feel that I am with you in dwelling prayer or you get a glimpse of Me during dwelling prayer, rather than dismissing it as your own mind or a demon, acknowledge My presence. Do you really think I am going to give you a snake when you asked for a fish? How appropriate is that saying, the snake is Satan and his workers, the fish is the very food of life, so when you come to Me with a humble attitude, submissive, not trusting in yourself, wanting to genuinely worship Me, do you think you should come also with your hearts open to receive?

"Yes, I love genuine worship, when your heart is melding with Mine and your desires are My desires, when you are thanking Me and praising Me and declaring your trust in Me, I love this. Shall I reward you with a snake? A familiar spirit to mislead you? Guidance into darkness and error rather than clarification and confirmation of the truth? What kind of God would reward such faithfulness with error? The only hole in your boat is pride and a haughty, unteachable spirit, it is then that you may very well expect deception.

"But when you worship Me in spirit and in truth, seeking only My will, I will not lead you into error. But you know well, over the years, how I have allowed serious mistakes because of your self will. But with your genuine desire and efforts to conquer this fault, which is in fact sin, I most certainly will reward you with clear direction, and not allow a misstep.

"So, when you have repented of any evil thoughts or doings, and are coming to worship Me,"

You should always repent, first thing in the morning and allow the Lord- or before we go to sleep- allow the Lord to pinpoint things.

"So, when you have repented of any evil thoughts or doings, and are coming to worship Me, you can expect direction, and to assign your visions to your own mind or a demon is hurtful to Me. Children, come expecting your Daddy to help. I am here to help. If you are laying down your ideas for Me to correct them, and you are sincere, I most surely will guide you into the right path."

Thank You, Lord.

*"Yes, I do take care of you in your necessities. I am here to help, not to scold, demand, not to reprimand unless it is needed. I am here to validate and assist you in the better way. And I want you to believe this with all your hearts because it IS true. Please, make My day joyful by recognizing My presence and direction to the whole community. Yes, that wil**l** make My day!"*

And that was the end of His message.

Habits Deadly to Your Soul

July 22, 2022

BE WARNED! Sensitive Content!

Dear Lord, help us to realize we will pay every farthing or every penny for choosing to indulge ourselves when others are suffering from poverty, and we have not done our part. Amen.

I am here Lord, are You with me?

He answered, *"I have never been absent from you...do you not you know this yet?"*

Ok. Well, where do I stand with You?

And I got some kind of nebulous answer from the Bible Promises.

Well, actually, when I said, where do I stand with You?

He said, *"Repentance."*

And I did say, well, I am sending some things back.

Now the story behind this is that I got some winter clothes that I needed and in the process of doing that, I saw a couple of fascinating books on the Bible, things- Information about -well, it does not really matter, but there are books that Zondervan put out that have to do with explaining to people more about the culture and more about the use of things in the culture. And I thought wow, that is really valuable, because I like to use metaphors. So, I went ahead and ordered those and a couple of other things with the clothing. And, I had a feeling that I had not done the right thing and I got 'Repentance.'

From the Lord, just now, He said *"Repentance. That is where you stand with Me."*

I went to the Bible Promises and got 'Holy Spirit' and 'Repentance.' So, that was a strong confirmation that this, indeed, is the Lord.

And I said Well, I am sending some things back.

He said, *"That is good, it should be done. Please re-assess what you really need and use that as your guide. Can you do that for Me?"*

Yes Lord.

"Then you shall have peace between us."

I made some mistakes, for sure, Lord.

"You can still rectify them."

What is on your heart Lord?

He said, *"I forgive you."*

Thank you. There is nothing worse than feeling distant from You. When will I ever learn this enough to stop myself from spending money that should go to the poor? Or for other things?

Legitimate question. His answer?

"In purgatory. Or you can embrace that lesson now."

"This is no time to play around with your salvation, the need for holiness is very great. Especially if you want to see healings and My Spirit move. That means the enemy will tempt you with things that will cause you to lose your standing, so that your prayers are not answered."

And, I have known that for a while, just subliminally I felt that. I was wishing it were not true, but it is true.

So, I said, I really do not want to go to purgatory.

He answered, *"Then you should handle these issues now, while you have time and are alive."*

Sobering.

"Yes, that is what I am here for Beloved, to sober all of you up. Sin is still sin, even if you are favored with My presence and words of knowledge. There are many in Purgatory just like you, that is why I am telling this. I do not want you to go there, but unless you REALLY get a handle on yourself, you will.

At that point, my heart dropped.

Now for some of you who do not know about Purgatory, it is a place of purification before we go to Heaven, and the Scripture- One of the Scriptures that backs it up is Some will be saved but as -as if going through a fire, and that fire is a purifying fire so that we show up in Heaven, we do not have dirt all over ourselves. Better to get rid of the dirt now than have to go through that purifying fire.

Then the Lord answered me and said, *"Better now than later My Love, better that you should recognize your sins and vices now than to have to go there. Ask Ezekiel to pray for you in this regard. This is very much on My mind because time is so short. Do not imagine that you can presume on the Rapture, every farthing must be paid."*

That is what the Scriptures say.

"For now, you are mostly good, but these lapses will cost you, not just My company and clarity, but terrible suffering in the fires of Purgatory. I want you to think more about the poor and about everything going to them and understand that I have entrusted you with My resource. It is not yours to squander, it is Mine and the sin is against Me and the poor."

At that point, I felt horrible.

He continued, *"Therefore, I need you to be much more serious about these things. This reality that I am imparting to you, will help. Do you know I*

hate to have to correct you this way, but it is better than allowing you to continue to rack up a debt? Turn now and all will go well for you. Continue to ignore these warnings and you will be very, very sorry."

Lord I am already very, very sorry.

He answered, *"Well, let us see what you put back in that box and we will go from there. I do love you, and I am sorry I have to be so strong with you, but understand, you are influencing others with your vice and that is really not good.*

"Do not collapse under the rod of correction, just do what is right, My Love, and your peace will return."

I must uphold this standard-this is me now, I was thinking, I have to uphold this standard, "If the Lord does not want me to have it, it would not do me any good, it will be harmful."

And, you know, that is the way it is, The book- I started reading the books last night and they were very, very interesting and really clarified for me in the culture, you know, there were some things that were brought up, some of these things I never thought of, you know, they were clarified and I was getting quite a bit out of it, but if He did not want me to have that book, then I was wasting my time on it. He is always able to impart knowledge to us that we need at the time. Then the Lord continued,

"Moving forward, this is a good message for everyone."

Oh, boy. I was not in a hurry to share it with everybody.

"So, I am telling you, you are not the only one who needs to reexamine your priorities. There are many who are still indulging in what they do not need and are not sharing with the poor.

Heart Dwellers, how can you dwell in My Heart and not feel compunction for the homeless? When you recognize them in their poverty, what is stopping you from giving? Do you know that I bring those to you in your day so that you will share? How important is this to Me? More than you

will ever know. Those of you who have sufficient income, remember the poor around you. Even the elderly that might need a ride or something from the store. I have put you there to share with them your time, your resource, your love and caring. Please be alert to this challenge, they need you, I need you to be My hands and feet.

"Some that you pass by are angels, did you know that? They are there to awaken your conscience to be more like Me in your giving. Now that you know this, beloved ones, you will do well to practice it. Go out of your way for Me living in the distressing disguise of the poor."

That is an expression Mother Theresa used, serving the Lord, who is there in that soul with their distressing disguise of being extremely poor.

So, I was sliding down the self-pity hill at this point, and the Lord said,

"Please do not crash on Me Clare, just get ahold of yourself and be very, very strict. You do not need more books; I can infuse the knowledge you need without you filling up on knowledge that you do not need. So very often when you follow the fancies of your curiosity, you are adding clutter to your minds which affects your ability to do what I have called you to do."

Yes, it uses up time, it changes your focus, I can- I can see that.

"Dear ones, dear ones, toss out all your 'needs to know' and follow Me naked and unencumbered by worldly knowledge. The less you indulge in these things, the more I will allow you to understand, wisdom beyond your peers and publishers. But first you must forsake these sources and come to Me very, very, poor.

"And if you want more of Me...this is the path you must take."

And that was the end of His message.

Bizarre Events

July 22, 2022

Beloved Heart Dwellers, the Lord is wanting to prepare us for the bizarre things that are coming upon this Earth.

Jesus began, *"While preparations for war are being made, the world at least in this country is carrying on just like it did in Noah's time. Very few are taking any of this seriously. That is why certain things must happen to wake everyone up.*

"Clare, you know that I am holding back many of the effects of Nibiru and Nemesis,"

And Nibiru is a planet, part of the solar system of Nemesis, which is a dark star. And has several planets in ruins, in fact.

He continued, *"But because of your prayers, and when I say your prayers, I mean everyone who is praying against this, not just your prayers. Many scientists are confounded by the stability of the Earth in the midst of all these changes. I would like to say to them, "Your calculations are correct, except for one flaw...the prayers of the people and My ability to mitigate what could be a serious catastrophe.*

"There are many things now My dear scientists that are calling your attention to the fact that you are missing some key factors and one of them is My mercy for My children. None the less there will be more intensive events as we move forward, and that is what I am trying to prepare you all for now.

"Beloved workers in the harvest field, more and more shall come to you looking for the answers, be sure to answer them and even put a playlist

together for them to understand the times and just how closely current events parallel what is written in the Apocalypse. Just as in Noah's day, as I have told you, so in this day will the events take many by complete surprise. Part of the reason for that is that I have been preparing you for so long that they think it is another false alarm, but soon fulfillment will come and cause many to question if this truly is the time.

"But you My Brides are to grow closer and closer together every day, cleaving to Me and being fully awake with the prophecies written. For now, My devoted ones, I wish to spend more time trysting with each of you. I long to hold My Bride in My arms to comfort her and even dance with her. And dancing is a beautiful thing as we move in unison to strains of holy worship music. Every day I wish for you to draw closer and closer to Me and become more and more a part of My Heart so that you can pray for those things which matter the most to Me.

"As you can see the enemy's attacks are becoming more frequent. All things considered, I am allowing this to raise you up in warfare and discernment. More and more demons are arriving on

Earth every day from Nibiru. Sightings of individuals are becoming more common until you will reach a point of full disclosure where you will see ships in the sky. When that happens there will be a massive PR campaign to try to convince you of their benevolence. Do not be fooled, they are all demonic entities with foul intentions.

"Then I will need you to stand tall and notify as many as you can, these creatures are not benevolent, they have only your destruction in mind. Understand that the elements in the COVID shot are also beginning to make changes in people that will be more sympathetic to the demon realm. Many will begin to manifest bizarre behavior, attempting to bite and devour people. There will be many antidotes given, but without strict supervision, many of them will fail. They have no sense of modesty and many times will be seen naked or sporting heavy canvas garments reminiscent of World War Two.

"At this time, the Nazi agenda is becoming more and more prevalent and accepted. And the children of those who do not pray will pay the highest price for them.

"Yes, this is the time of the Apocalypse, and many bizarre things will emerge from within the Earth and from outer space. People will be terrified and run and hide. Yet what these humans have turned into will be inescapable and violently aggressive in satisfying their animal instincts. It will be a time like no other, My Brides. You will not be able to reason with those who have had the shot, the core of their minds that deals with logic will be absent to them. Prayer will be your only recourse.

"These times are not far off, but their advent is being strictly restrained to coincide with other worldwide events, where the Earth is reeling like a drunkard. You would do well to prepare for this time, being prayed up and well informed. And they will respond to the use of My Name."

That was the end of the Lord's message.

So, dear family let us arise and brush off our slumber and be prepared for what is coming.

Jesus, please direct us on how we are to prepare, Thank You for speaking to us.

We love You Lord. Amen.

Contending for the Faith

July 25, 2022

Lord, what is on Your Heart right now?

He answered me, *"Wounds that you inflict on one another, with unbelief. It is better for a vessel unto honor to say nothing until they are sure that I ordained him or her to speak. For many times you injure one another with your personal opinions which you put forth as if you were My mouthpiece.*

"Children under instruction, do not grieve the Holy Spirit with your stubborn ways. Do not crack other vessels with your personal opinion. Do not make My job any harder, please. If you cannot say something nice, it is better for you not to say anything at all, until you know My will. Then I may ask you to speak, or I may ask you to be silent, but be aware of the power of the tongue to injure and do not be indifferent to the struggles of others.

"Unbelief is a plague that manifests itself differently in each of you. I am trying to rid this community of unbelief and you have the power to help or to hinder. Go out of yourselves please and stand in your brother's and sister's sandals. Contemplate the painful dilemmas they go through, just as you sometimes must pass through them. Be supportive and put away all nay saying until you have studied to obtain My will. In this way you will not hurt those speaking on behalf of My Holy Spirit."

Dear Lord, I am struggling with insecurity and faith, dear God, I hate this, please deliver me. Please show me how to believe when wonderful words and visions are imparted to me. I need some strong medicine to get over this. Please have mercy on me, please have mercy. I am so, so sorry. Please take this off of me, please, I am helpless against this force.

And when I said to the Lord that I was helpless against the force, I meant- it is very powerful - it feels like a shield of iron- unbelief -that I am encased in. I feel totally blocked, like my heart is encased in an iron lung...like what they treated people with -with polio, except it is my heart and lungs that are so tightly packed into this iron shield.

The Lord replied, *"What you are experiencing is the curse of unbelief. I sympathize with you Beloved, they tried to do it to Me as well. You have a loving community around you, you can confess your fault and ask forgiveness and for help.*

"We have not abandoned you, We have seen and heard every bit of what the liars have cloaked you with. We see every tear, every effort and even every time you go into agreement with them and that gives them permission to do even worse things to you. Renounce, renounce, renounce, unbelief in My Name."

And that is what I did three times, and I said I renounce it, I do not want it. I renounce unbelief, I do not want it, I renounce it! In Jesus' name.

He continued, *"It is a struggle, and Our hearts are with you as you conquer these fears, and you will conquer them. You WILL conquer them. Do you hear Me? Do you understand Me? You and I shall conquer these, WE will do it. Rest assured, I am with you in this fight and supplying the graces needed, because despite your negative confession I know the bent of your heart and soul is desiring these things.*

"I know your will is one with Mine and all of Heaven. You are also suffering from your husband's condition which is enough to cripple anyone, and well do your enemies understand this. You are fighting an uphill battle, and I know you feel alone, but you are not, My Dove, there are certain persons in this community who truly love and believe in you, and they do help to carry this weight with their prayers. Rest assured of this."

Lord, I do not want to get into self-pity.

"*This not self- pity, you are crying out for help."*

Just then a tree fell on the chapel-we heard a big crash.

"All the negativity in the world, when thrown at you, cannot conquer you as long as you stay in Me. They are wasting their time and resources for you will not recant or turn from your resolve. This much I know.

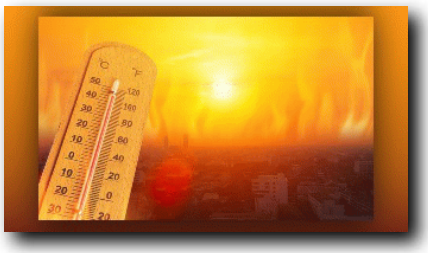
"And to those who hate you without cause, I say, why are you wasting your time fighting against Me and all of Heaven? Do you not know that your assignments are in vain? All these attacks are making them stronger and in addition they are offering their growing pains for your salvation before it is too late for you. An addition to that, around the world people are hearing the sound of My Voice and are also learning how to defeat you and pray for your good at the same time. It is your choice, you are not fighting her, you are fighting Me, and we all know how that turns out, don't we?"

And that was the end of His message.

And just to explain a little bit about what is going on, it is like I wake up in the morning, and I feel like- I feel like everything is hopeless. I just feel-just-like there is a gray thing over my face, everything is hopeless, anything I do does not work, you know, that is the kind of feeling that I am getting when I wake up in the morning. And even after I pray the Binding Prayer it is like I am walking around with this ugly, iron cast on my heart, but I know the Lord is going to bring me through this, and I know that there are a lot of other people suffering in the same way right now. So, this message is going to go out to them.

Heat Wave-THIS WORKS

July 25, 2022



And this is very important.

I want to share with you -you do not have to die in this heat. I am extremely prone to heat stroke and heat rash and have lived in the Sonoran Desert for many years, and there is an easy way to take care of it. If you have water, you will be cool, and here is how:

Get a thin square or rectangular cotton fabric- like a muslin dish towel, not a heavy one with the pile on it, but a thin one, soak it in water and put it over your head, let the water drip down on your shoulders. It is good to wear a hat as well but wet your hat down. And you have got to repeat this every thirty minutes or so, you do not always have to let it drip on you, you can put it over your shoulders and allow it to keep your back, your neck and your chest damp, and I promise you, you will be living in air conditioned paradise for about thirty minutes.

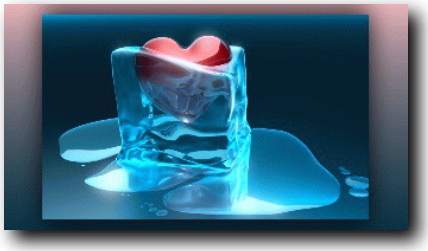
So, or if you are very brave, soak your shirt and put it on wet and keep soaking it- Take it off, soak it, put it back on. What I did with my big, heavy gray habit in Phoenix was I would get into the shower with it on, and I would get soaked down and wring the water out and come out of the shower and I was good to go for at least an hour and a half. Of course, it was messy, but it really worked.

So, you do not have to suffer in this heat, all you have to do is keep water on your body and allow that evaporation to cool you down. Ok.

God bless you, dear family, please take care, use good common sense when dealing in this heat.

What We Will Do Together in Heaven

July 26, 2022



Just to begin without an introduction-

During worship today, the Lord approached me in a very tender way and came and took my two hands in His and then He walked me, walked me off into - I do not know if it was a cathedral or what it was exactly, similar to my first experience in "Chronicles of The Bride," and He was just so tender, it was just a very, very sweet moment. I do not remember what else went on but when I came to receive a message, He said,

"How did you like our time together?"

And I said, it was so tender.

And He said, *"Yes, I am tender with My Bride, especially with those who do not presume on My Love and have deep devotion and respect, as you do. I so appreciate your efforts to honor My presence more and more. I cannot even begin to tell you how it melts My heart."*

And there was a time when I was really callous. I would say I lulled myself to be distracted when I knew He was waiting for me, and I try not to do that anymore at all.

He continued, *"These are attributes I want My Bride to have. For so many have grown to see Me as a familiar friend, not really taking into account My royalty and God head. It is not malicious, except for the enemy that is inciting it, it is more neglect and distraction, as you well know, that takes her away from Me."*

Boy, do I ever know. Thank God He has worked with me on that.

*"*My *precious Brides, I need your extreme devotion and respect. Even though I am your very best friend, I am still God. Your recognition of that in day-to-day life, is very important to Me. There are times when I want you to stop what you are doing and come sit with Me. It is not easy to separate you from the things you get engrossed in. None the less it is very important to Me, even vital to Me that you respond on the dime. It is not just respect; it is also an urgent need I want you to cover by your obedient presence.*

"I promise you that you will lose nothing of what you are doing when you respond immediately. In fact, I will even bless with more grace, what you were working on when you return to it. I want you to be an example to the whole world, that nothing is as important as My Presence, and that I am worthy of prompt obedience.

"The people of this world will immediately recognize the highest regard you have for Me by this immediate response. It is a fine line and difficult at times to handle our multi-dimensional relationship. I want you to feel at home with Me. I want you to feel comfortable just melting in My arms in complete abandonment and rest, releasing all the troubles of the day into My faithful hands.

"There are times I want to dance with you in your wedding gown. There are also times when I want to swing on vines in Heaven from one glorious place to another, laughing with joy, in total freedom. Then there are those solemn moments when I need to advise and teach. Our relationship is truly multi-faceted, and I enjoy every moment of our presence together.

"I am not a distant, nebulous God, this has been conveyed by twisted and darkened minds to keep us apart. No, I am with you always, by your right hand and also dwelling in your heart even as the Scriptures say, <u>if anyone loves Me, he will keep My word. My Father will love him, and we will come to him and make him our home with him.</u> That is John 14:23.

"Heaven is not a place of fluffy clouds and harps sounding, it is a real place where the whole gamut of activities takes place. There are water slides, swinging vines, riding on sea creatures, worship and adoration in continuous song, in the many dimensions of Heaven.

"There is solemn prayer as well, contrary to some beliefs, that you cannot pray in Heaven. There are prayer meetings, spontaneous prayer, and vigilance over what is taking place on the Earth. Not a moment goes by where prayers are not being offered on behalf of those still Earth bound. There is the continuous work of arranging circumstances for new arrivals, assisting My Bride before she departs, and especially arranging circumstances for the salvation of those who do not as yet know Me. There are theology meetings where doctrines are either ratified or condemned and then the work of carrying that out on Earth is planned.

"There are books being written, movies being made, music being scored and sung, and symphonies being prepared and executing glorious music. If you can imagine it, it is being done. Yet there is no sex in Heaven, because reproduction was already carried out on the Earth, so when you arrive you will be overwhelmed with the peace and joy of life without compulsions. There is no lack or shortage in Heaven, craftsmen create all that is needed, and everyone is provided with the tools they need to create with their own special gifts and calling.

"Listen, My dear ones, I want you to get a clear picture of your final home. I want you to anticipate what you will be doing and rejoice that whatever obstacles you had on Earth will no longer exist in Heaven. Get excited about what you are going to do. Let your imagination get carried away in My Holy Spirit to explore the possibilities. I want you to be excited and looking forward to what I have gone ahead of you to prepare for you, and what I have in store for you."

And that is the end of His message.

The Lord bless you, Heart Dwellers, and I pray that you will be able to soak in these beautiful inspirations He has shared with us, so that we really can

anticipate their new life in Heaven that will be eternal.

Amen

The Ultimate Battle

July 27, 2022

Lord, please equip us with your full armor so that we may remain steadfast and deeply rooted in fidelity and faith in you. Amen.

We were listening to soaking music and in vision I saw it was night, pitch black and you could not see any stars in the sky, just a big round moon the color of blood, we were surrounded by darkness. I was in the fourth row and we were all lined up military style, mounted on beautiful, majestic white horses and we were wearing royal blue cloaks. Jesus was at the head of this great army of warriors He had assembled, which went on as far as the eye could see in every direction. The Lord was wearing all white with two gold sashes which crisscrossed over His chest with a golden belt around His waist which carried a massive sword which glimmered in the moonlight.

We were all equipped in the full armor of God, our heavenly weapons glowed brilliantly with the power and glory of our Savior, and we were flanked by our guardian angels, most of us had two angels on either side of us, some had three and very few only had one angel. I noticed Brother Leo was in the same row as I was, and Brother John was in the row ahead of us. Instinctively we knew we were ready, the Lord had prepared us well over time for this great battle against the forces of darkness that was rapidly approaching us.

Dawn was beginning to break through the night and was starting to give way to sunlight. We were waiting for the Lord's signal to begin the charge of riding out to face the enemy, all of a sudden I heard angels above us sounding the shofar. This was the sound we had been waiting for in

anticipation to fight in His army, we knew this was the ultimate battle of good versus evil.

Jesus raised His right hand in the air at a 90 degree angle with His elbow bent, He then lowered His arm at the elbow halfway down and our Warrior God and His army began to move forward, we then rode faster and faster, the horses were moving so swiftly, it almost felt like we were flying, barely allowing the horses' powerful, strong legs to touch the ground. All of our faces were set like flint, at Jesus' signal we drew our swords, we were riding in complete unison, all with the same stride, the same heart, the same mind set and with the sole purpose of defeating the devil and His minions once and for all.....and then I came out of the vision.

Jesus began speaking, *"The condition of this world is under the tyranny of evil, My people must wake up and prepare for war. The wicked continue to grow and collect their iniquities which shall only render their destruction more complete. Great armies are arrayed against Me as they are bold in atheism, cunning in sin and malicious in temper, but let them come and they shall be consumed by My breath, for they cannot be finally victorious."*

I said, "Lord, "finally" victorious?"

"Yes," He replied, *"It will appear at times as though the enemy has the upper hand, but I will only allow what is necessary to turn people to Me. Elisabeth, evil cannot prevail over goodness, because evil is a denial of the only true reality which is Me, your God.*

"All earthly catastrophes which man will experience are My warnings before Our judgment comes upon the earth and all mankind. A severe earthquake is just a taste of what is to come. Worldwide devastation of floods, plaguing diseases, unprecedented tidal waves will occur just before I come.

"The world feels they can annihilate the people of God and that even I can be defeated and destroyed. I will come and smite them. Blessed is the one

who stays awake, keeping his garments on and is about My Father's business." And that was the end of His message.

Just then imagery appeared in my mind of a soldier who is on duty. And if you're a solider on duty you want to keep your clothes on because if you don't have your clothes on, you're not going to be ready at any moment when you go into battle or when Jesus arrives, it's preparedness. Be clothed with righteousness for we are told in 1 John 2:28 *"that if we abide in Christ, when He appears, we may have confidence and not shrink away from Him in shame at His coming."* Amen!

The Poison of a Complaining Heart

July 27, 2022

Lord Jesus, please tell me what is on Your Heart, and how we can help.

Jesus began, "*I wish for this community to be saturated in continual thanksgiving and worship no matter what the conditions. To this end I gave you the little song."*

Which I will put up for you tomorrow, dear ones.

"All of you have the very poisonous habit of complaining silently and in your hearts. Oh, My dear children, please eradicate this tendency. Now is the time and I am sending you the graces you need to overcome this life stealing habit. You do not understand the power of your tongue or your words, even those unspoken."

And I wanted to add, the Lord is reticent to give us new graces until we learn to use and appreciate what He has already given. And He loves a cheerful giver and is moved to grant them even more than they ask for.

Jesus continued, *"Your words form your attitude. They reinforce your perspective on life. That is why Satan works so hard to make you complain and whine. Would you want to marry a whining husband? Some of you have found yourselves in that situation with your mate and you know how it drowns out hope, incentive, and love. Yes, it takes the beautiful dynamic of marriage and covers it with effluent.*

"In your marriage, you, your husband, and I co-habitate in the Spirit, which means whatever you complain about reflects on Me...that I have not done a

good job providing for you. Do you not know this? Yes, all complaining is against Me, because I have the power to stop or permit those circumstances that challenge your patience. Rather you should be asking yourself, 'Lord what virtue are you trying to cultivate in me with this weather...the heat is so intense?'

He continued, *"Yes, I love that saying in the army, 'The beatings will stop when morale improves."'*

"Beloved ones none of you could survive in harsh circumstances, so I must prepare you with various difficulties and tests, so you do not give in so easily. This is not a pleasant task, I might add, but you can make it more pleasant by thanking Me for putting you through your paces. You thwart your progress by turning away and inward from the challenge and complaining. Let Me assure you, not one tiny suffering is lost, all are applied to preparing souls to receive Me and be saved. Are you praying? Then rest assured you will receive sufferings to back up your prayers. So, when these tests come you can rejoice for great is your reward in Heaven.

"Cry out to Me, My loved ones, and I will send you help to assist you in that hour, but please take control of your thoughts and words and do not complain. This only makes your job and Mine much harder. When you put on your armor, pray for a guard over your hearts and minds, not to entertain wicked, unbelieving demons of discouragement, who take every effort-no, who take every opportunity to push back your resolve to endure and be a cheerful giver.

"None of this sounds easy, but the fruit of self-control is far reaching and well worth the effort. Dedicate yourself, all your efforts, failures, trials for this nation and the world, because in this hour it is much needed.

"I bless you now to grow in holiness and long suffering that you might obtain the reward that has been set aside for you- that you might obtain the reward that has been set aside for you. Happy will you be in Heaven with Me on that day because you learned to be thankful for all things that I allow, good or evil. Amen."

And this quote came to mind at the end of the message:

12.It is not that I have already taken hold of it or have already attained perfect maturity, but I continue my pursuit in hope that I may possess it, since I have indeed been taken possession of by Christ Jesus.13. Brothers, I for my part do not consider myself to have taken possession. Just one thing: forgetting what lies behind but straining forward to what lies ahead, 14.I continue my pursuit toward the goal, the prize of God's upward calling in Christ Jesus. 15. Let us, then, who are "perfectly mature" adopt this attitude. And if you have a different attitude, this too God will reveal to you. 16.Only, with regard to what we have attained, continue on the same course.

17.Join with others in being imitators of me, brothers, and observe those who thus conduct themselves according to the model you have in us. 18.For many, as I have often told you and now tell you even in tears, conduct themselves as enemies of the cross of Christ. 19.Their end is destruction. Their God is their stomach; their glory is in their 'shame.' Their minds are occupied with earthly things.20. But our citizenship is in heaven, and from it we also await a savior, the Lord Jesus Christ. 21.He will change our lowly body to conform with his glorified body by the power that enables him also to bring all things into subjection to himself.

Amen.

That is Philippians 3 starting at verse two.

The Lord bless you, dear family, and please receive the grace the Lord is offering us now to put to death every bit of complaining in our hearts and minds and certainly with our words.

Amen.

The Tide Is Turning -Rapture

July 27, 2022

Lord, about the delay in the Rapture, does this affect the looming chance of war?

Jesus began, *"Understand Beloved, without serious messages, prayers would not be offered in such profusion as to turn the tide. That is why I have made it very clear to you that we were on the verge of war, which we have been, and may still be.*

"Tell them to continue to pray for the complete overthrow of evil. That corruption that has been deeply disguised would be brought to the light and prosecuted. We are winning Clare, but there are so many who are indoctrinated with lies, that a major re-education program will be necessary to inform people, especially the young. And it is coming."

"What about war?"

Jesus said, *"If things continue to progress in this positive way, it will be delayed. The issue coming up is the mixture of New Age spirituality with Scripture, under the guise of greater liberty and peace, for many things will be presented along with the good. That includes demon aliens, homosexuality, and sex changes. As the public is educated in these things, they can be overruled rather than being condoned and promoted. Because your president has chosen to uphold what is written in the Scriptures, and put an end to trafficking and immorality, he was given more time. And the prayers of the people, even those of other countries have been responsible for turning the tide.*

"I have told you from the beginning that there was hope. Even when the darkness was at its thickest, the light of prayer has burned so much of it

down. It is just now becoming apparent that the climate truly is changing. There is still much corruption in the military, but that too is going to have its day of reckoning.

"Continue your prayers My Brides and continue to route sin from your lives. The whole world has been caught in this web of iniquity and many countries are fighting for their lives, because they have recognized what has been really going on. Militaries are powerful, guns, bombs, lasers, all are powerful, but their power does not compare to your prayers. When you pray, I go in with My angels and expose corruption, bringing it into the light and raising up those with a good heart.

"Nothing in this world does as thorough a cleansing as My angels on assignment. When you pray, more cleansing warrior angels are released into the world where they are most needed. There are still strongholds of darkness in the world that can attack the good that is being done. That is why the whole world must continue to pray.

"Believe Me, there is still plenty of fight left to completely overthrow the pockets of darkness. There are layers and layers of them, some mature with many recruits added only in the past few years. This is why reeducating the youth is going to have a high priority. So much of their thought processes is controlled by the media, since childhood, deliberately programing them to choose evil, violence and sexual perversion under the guise of good. Yes, these times are truly upon us, where good is denounced and evil is applauded.

"It is a dirty mess, but prayer will avail much in exposing and eradicating evil. Many will change their tune when they see there are consequences to operating in the dark to destroy the rights of the people and the Republic. No mule imagined they could be hung for their part in stuffing ballot boxes. They were thinking, "A quick way to make a buck." Not a quick way to end up in a hang man's noose.

"My people if any of you or your friends and relatives have been involved in overthrowing the government, warn them, they will be arrested and tried as

traitors. And for the rest of you who are innocent, pray, pray, pray. I will hear these prayers, first, they have priority."

And that was the end of His message.

God bless you, Heart Dwellers, know that things are looking up, but not to the point where we can get lax on prayer.

God bless you.

Discernment Trials and Ukraine

July 29, 2022

The Lord bless you, dear Heart Dwellers.

I am going to share with you a contradiction that I am facing discerning a word that I was- felt that I was given for a couple. They did not connect with the word as being accurate. Now, the word was discerned by three different people, but still the couple could not really connect with it. Oh, how I hate glitches in discernment!!! Especially I do not ever want to lead a soul astray or hurt them, God forbid. But here I am faced with contradiction, even after two other people felt it was on point. So, I came into prayer today with questions and feeling just a little shaky.

Lord, only You can straighten this out. Did I err in discernment, or is there something still hidden? Please clarify this for me, you know I walk on eggshells when I must correct someone.

So, I- I believe, Lord, that I have a problem with discernment. Can You do anything for that?

He replied, *"I want you to get together with your discernment partners and work on this together. It is so important that you are under girded with their discernment."*

I feel so uncovered.

He replied-

How do I trust that it is always "You" when things are not proven out? How many other things was I wrong about? I sometimes feel fear when I get a message that can be confirmed or refuted.

Jesus began, *"One thing it is important to understand is that the theme of the message may be correct but in some cases one can fill in the details from their own mind, details that were not given to them. There must be extreme caution about those details. Rather than worry about the details, concentrate on the theme, that should never be contrary to reality."*

And in this situation the overall truth was not contradictory. It was a few details were important that were contradictory.

Jesus continued, *"*These *are not easy times and walking in a word of knowledge can easily go off course. That is why humility is so very important. So far you are handling this very well, stay in the posture of love and forgiveness, this will be resolved."*

Well at that point I thought ok, this is a personal issue, and we are going to resolve it.

So, I went on and I asked Him, Lord, what is on Your Heart?

And He replied immediately,

"The way the war in Ukraine is proliferating and expanding. You were right in part about it being scripted, however Russia has a more independent mind set. They are being provoked by the whole world, but Putin is no fool, he will not go along with everything they are trying to do. The enemy knows the Bible too and is poking at the bear deliberately. Yet President Putin is a very intelligent man and will not be their donkey.

"My concern is for the displaced peoples of the Ukraine, and the ravages of war, some things that will never be healed on this Earth. They are a very broken people, exploited and used to provoke a world war. My Heart bleeds for the innocent ones caught in the middle, their plight is almost beyond belief. In this country, you do not know the ravages of war and how deep

the scarring goes, but the Ukraine has been used time and time again, like a pawn for the evil ones. You cannot go wrong, Clare, praying for those who are victims of the insanity of Satan.

"As unpleasant as it seems, those who are doing these things also need your prayers. Regardless of what they have done, I do not want to see them in Hell for eternity. So please pray for them, your prayers will not go unanswered. Trust that I will hear your prayers even for the most wretched of them.

"Understand that what you see happening in the Ukraine and Poland, will also come to your country. Your great compassion and prayers for them will allow extraordinary protection when that time comes. You cared for those you did not know and in turn others will care for you in your plight.

"But in spite of wars and rumors of wars, I want you all to press in with your gifts. Those of you with a beautiful voice and a keyboard, use and cultivate prophetic gift of worship. Go with the flow and release yourself to make a melody and be very alert to anything you think of or feel. It is from that direction that I will speak."

And what He is talking about here is simply when I heard about the fighter pilot, veteran fighter pilot being shot down, in Wisconsin or Michigan, I was so grieved, and about the Chinese at the border. And when I went to the keyboard and started playing, a song came out that described their plight, it is called "China Cry." And you have heard it already, but that was very much a musical snapshot of what was going on for all that are involved. So that is what He is talking about and paying attention to what you think and hear when you are playing. Ok.

"And this is for both of you: Go with the flow, release yourself to make a melody, and be very alert to anything you think or feel.

Jesus continued,

"Last night you were given the start of something...cultivate that."

Yes, He gave me something very dramatic.

"But you may also play more dwelling type music, letting your heart take you wherever it takes you. Impressions will come to you during the music, and you will understand the theme. Beloved I know you are really at war with yourself. Wait until your discernment partners can get together with you so you can go deeper. They love you very much and believe in you, I might add. And this trial will pass, and you will learn much from it. Do not allow yourself to fall into despair."

Thank You, Lord. I feel much better.

The Lord bless you all, Heart Dwellers, thank you for tuning in. It is a joy to read your comments and hear about what is going on in your life as well.

God bless you.

Walking in Miracles

July 30, 2022

Lord, please help us draw closer to Your heart and not block the flow of Your miracle working power. Amen.

"Do you understand Clare," Jesus began, "*You are not weak, you are strong, much stronger than you think. Do you understand I inhabit you, your mouth is My mouth, your sighs are My sighs, your pain is My pain?"*-- --

"And my flubs...when the demons manifest and refuse to leave?? This is why I feel so weak. I know my fast is not sufficient, and I imagine they will refuse my commands until I make more sacrifices. I feel so impotent."

"That's because you are looking to yourself, not Me. Do you think for one moment they will resist Me?"

"No, I believe they cannot."

"You are correct in saying that."

"So, what do we do."-- --

"*Let Me handle it. Wait on Me to rise up from within you and exercise the anointing. Allow Me. Wait on Me. Manifest Me. It is a whole different way of thinking. Your power is in Me, living in you. When you are weak in realizing that, it does not come through. More intimacy and faith is your answer to handle this attack. There is NO power on earth that can resist or disobey Me, because the consequences to the demon are much more than they want to bear. Satan understands this so he works to divide us, so that our walk will be watered down. You must release your faith Clare. You limit Me by your unbelief."*

"Lord, how can anyone limit You by unbelief?"

"You remember in Nazareth, I could do very few miracles because of their unbelief? You all must cooperate with who I am and stop restricting Me with your unbelief."

"How does that work Lord, I don't understand?"

Jesus continued, *"I choose to work through weak human vessels, that means I am subject to their unbelief. Look at it this way, there is an electrical current pulsing through your body, when you have faith in Me our currents match, I move through you freely. And when you oppose Me with unbelief it shuts down or blocks the free flow of My current. As you come to understand how very faithful I am and disregard all the insinuations of the enemy about yourself and Myself, you remove the impediment that shuts Me down.*

"That's why intimacy and knowing Me are the single greatest factor in My ability to move through you. The second greatest is sin. When you sin you impede the flow of grace. Disobedience is sin. And to a lesser or greater degree it becomes an obstacle to our work together. I do take into consideration your weakness and the pressures being exerted on you to give in.

"Judgment and gossip are at the top of the list of sins that block My movement in the Spirit. There is no hard and fast rule as to how much sin it takes, because of My mercy, the need of the soul, and the circumstances of the sin are all taken into consideration.

"More and more the world is beginning to understand the movement of energy,--and how it arranges itself into light, electricity, magnetism and radiation. Man has devised weapons, with the help of the fallen angels, that are enabled by controlling energy in all its forms. You are on the cusp of creation with this knowledge, but you will never be able to overcome Me and My will. There is no power greater than Mine, and it is by My will that the universe is held together. Therefore, I will frustrate some of the attempts

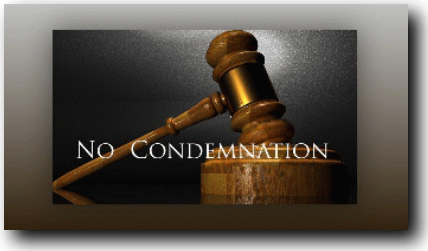
made to usurp My authority. Very simply, if I wanted to do it, the entire collider, staff and buildings could disappear in less than a millisecond. I am using all these things to bring to the surface the evil ones and their agendas. Everything I allow will eventually serve My plans, and yours as well.

"So, getting back to faith, as you come to realize who I am and the power over all things, you will begin to walk in miracles, because of your knowledge of Me. The greater your knowledge, the greater the miracles. It's just that simple. Now there are times when I exercise My sovereignty and do things outside the realm of your cooperation. This is My prerogative. I am not subject to My rules for mankind. Do not pray for miracles, draw closer to Me, remember, I am love,--and these miracles will be the natural outcome." And that was the end of His message.

God bless you dear Heartdwellers and may we all stay close to His heart. Amen!

No Condemnation

July 30, 2022



Lord Jesus, please help us pay attention to the dreams and the signs that you send us, and also to be able to interpret them because I know you send them for encouragement. Amen.

Well, my dear family, lately I have been having a really difficult time focusing more on my inadequacies and failures than on what I do right. As a result of that when I wake up in the morning, I am thinking, 'oh boy, I need to repent for that yesterday, I need to repent for this,' you know, just a merry-go-round of repentance. And it is like I wake up to condemnation, of course I have not prayed the Binding Prayer yet, and that does make a difference, but there is excitement in the air. The Lord is excited about something, and I am feeling mostly self- conscious because I have not managed to get all of my self-control in line with what it should be, you know, when you sneak a cookie here and there, that kind of thing? And I do not want to do that, I want to be pure and healthy and clean of conscious and mind, and I want to hear him clearly, Sometimes, when I bow to eating something, it causes my hearing to go fuzzy and, I, my, I am just not as acute during that time as I normally am. And I want that acuteness, I really want to hear Him. So, He is addressing that in this message.

Well, dear family, this is interesting, a sister in the community had a dream that a message went all over the world to all nations.

Wow, Lord, I do not want to miss that! Please help me really zone in on You and hear You clearly. Lord, I want to believe. Please help me.

Jesus replied, *"Just keep working and it will come, focus on Me and what we are doing. This is the secret- Stay firmly in My Heart with my*

sentiments, this is key."

Jesus, all I know is that people are hurting from the wars raged against them, especially in Nigeria.

He replied, *"The world is mourning, Clare, because death is everywhere, but where there is suffering and death, I am also there. Do you believe this?"*

Absolutely, Lord.

"Clare, My Heart is breaking with what the Devil has planned for this world, but he shall not get all that he wants, nevertheless, the casualties are tragic. The families ripped apart, children farmed out to relatives the children do not even know, and then the abuse and the selling into slavery. Oh, how tragic this is. It is good for you to feel the overwhelming sense of hopelessness and to pray against it, but first and foremost, CLEAVE TO ME. You cannot cleave to Me if you feel like a failure.

"I understand that all of you feel you have fallen short and that causes discouragement, depression, and a wanting to hide from Me syndrome, feeling so very unworthy. I want to remove this lie from you so you will no longer feel unfit to hear My messages, or even think of promoting them.

"The truth is simple, NO ONE FEELS WORTHY, so give up on that and realize that My overwhelming love for you has made up the difference. I want you to come running to and Me in the morning without fear - I want you to jump into My arms like a little child and squeal with glee, "What are we going to do with this day Jesus?"

"Do this instead of waking up to measurements of all your failures of yesterday and trying to figure out how you will repent or how you can be accepted after the things that you failed at. Make it simple and childlike, say, 'I think I can do better today, Jesus, please help me be willing to be willing to go higher and give up more for love of You.' That will be perfect."

"Now rivet your attention on Me and what I am doing or want to do. Celebrate our partnership! Look forward to our prayers together and work as well. Accept Me unconditionally because I accept you unconditionally. Of course, I appreciate when you manage to walk in self-control, but our working relationship does not depend totally on that. It depends on My faithfulness and your cooperation. I need you to believe that and be excited about what we are doing together, that is why I gave this sister that dream. Believe in Me, that is the work, believe in Me that this work is not just a futile exercise but preparation for what is to come.

"You do not have long to go to get there, so let us keep on going! No more dragging your feet in unbelief, take hold of the rope of grace and pull yourself up into My Heart from which all good things come.

"And do not worry about your hearing Me, this is not going to be a problem, let the chores fall where they are, and someone will pick up on it.

"I gave her that dream because I wanted you to believe, and not just go through the motions every day. Is that clear My Darling wife?

Very clear, Lord. Why am I feeling so wishy washy?

And He said, *"The heat has got you down, just keep your head up and be ready for action."*
